Roomex is the travel booking platform built for the mobile workforce

Do your staff build skyscrapers, manage a suite of shopfronts or check up on assembly lines around the country? Are they on the road more than they're at their desk? **Roomex is built for you.**

We created Roomex for the Travel Managers, Bookers, Assistants, and Travellers who are tired of booking travel.

If you spend too much time navigating countless hotel websites, updating Excel sheets, and logging expense claims, we've got the solution. Our platform enables you to book, pay, and report on all of your accommodation, travel, and expenses in one place. **We cut out the tedious work of workforce travel to save you time and money.**

Don't take our word for it...

We are the experts in Workforce Travel.

From sales to finance and engineering to support, the Roomex team understands that your company's success lies on the road, not behind the desk. For your business, travel is necessary to get the job done - that's why we've tailored every element of our platform to suit your needs.

Book relevant accommodation quickly and easily with RoomexStay

Offering the largest selection of properties, with 1.2 million hotels in over 100 countries, while proactively sourcing and negotiating hundreds of Exclusive Roomex Rates.

Exclusive Rates

Roomex delivers the best discounts in the industry through its Exclusive Roomex Rates and SaverPlus programmes. We bring together all of the best providers in accommodation like Hilton, Best Western, Travelodge, and Premier Inn, and your personal favourites into one search so you don't need to price check against multiple leisure websites.

Each Roomex platform is customised at creation to meet your specific requirements. We can include key items such as: Cost Centres, Preferred Hotels, Travel Policy, Negotiated Rates, and Traveller Information to ensure that you get the benefits of Roomex from first usage.

Fully Customised

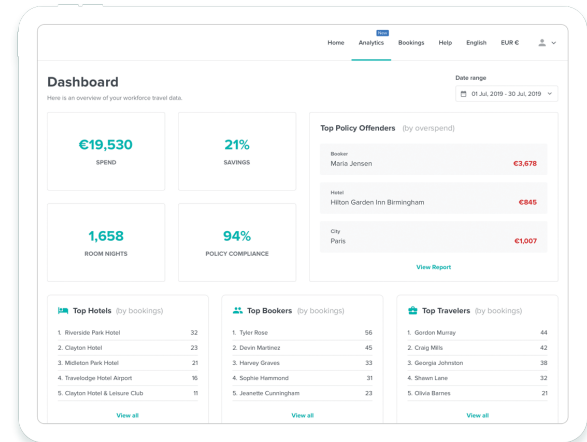

Food and Beverage

Roomex sources all room types including Room Only, Bed and Breakfast, and Dinner. RoomexPay virtual cards can also be added to bookings, providing trip-specific meal allowances which can be used at the hotel restaurant or anywhere for takeaway.

Uncover opportunities to save time and money with RoomexAnalytics

Gain control and visibility into your travel spend, from accommodation to trains booked on Trainline, with RoomexAnalytics. Featuring personalised dashboards, a Compliance Centre, and Reservation Hub allowing you to set and manage travel policies.

Discover total hotel spend, savings, total nights booked, and policy compliance on any specific date range

Keep traveller safety as a top priority with the Workforce Tracker, displaying travel history, contact information, and trip details

Pay your way with RoomexPay

The smart, end-to-end workforce spend management solution. Our unique solutions eliminate expense management while giving you full visibility and control of in-trip spend.

Built for the mobile worker

Gain visibility and manage spend with customisable limits and real-time reporting on travel expenses.

Manage and view all expenses in one place

Gain visibility and take control of all company spend when each card has customisable limits and can be monitored and reported on in realtime with our analytics.

Never leave employees out-of-pocket

With instant notifications to the main office, they have the ability to request top-ups while on the road or cancel or freeze a card should a problem arise.

Simplify expenses for employees

Securely pay with the RoomexPay card or app and take a picture of the receipt to instantly claim the expense so they never have to sift through receipts at the end of a trip.

Looking to book accommodation for a project, or a space for your next event?

Roomex's dedicated Projects & Meetings team are available to help you book your next trip. Our experts specialise in booking group rates for 9+ people per night, setting up project rates for crews, and finding suitable accommodation for long stays.

Our team will source, negotiate, contract, and book accommodation and meeting packages designed for you.

RoomexAnalytics provides visibility and control of all Crew, Project, Long Stay and meeting bookings.

Roomex will provide one consolidated invoice, outlining the breakdown of spend by booking or project.

We will manage special requests like meals, parking requirements, and flexible check-in times.
