Our team members sport custom uniforms made from sustainable British materials and **recycled plastic bottles!** It doesn't stop there. Bow Bar garnishes its drinks with its very own microgreens, grown in the hotel. They also recycle any leftover citrus and transform it into simple syrup!

A WORD FROM OUR **CHEF**

Hi Jessica,

Just wanted to let you know that I've heard from Sanne that your event will have some dietary restrictions. Don't worry, I will make delicious and inclusive menus that will impress every single one of your delegates/guests.

Hope to see you at a tasting soon!
