

Visa Corporate Cards

An essential, globally accepted payment method

Your clients want to spend less time on manual and time consuming processes

But without a solution from you, they may use other payment cards or have no solution.

With Visa Corporate Cards, make payments simple for your clients and allow them to:

- ✓ Capture more spend
- ✓ Efficiently reconcile their spend
- ✓ Have visibility over their spend

Become your client's primary payment solution provider for all their business travel needs and boost your revenue.

By partnering with Visa, you also gain access to our expertise and support, as well as our fantastic data and reporting solutions.

Note: Visa Corporate Card is accepted in over 200 countries worldwide
