Protecting Your Serenity Through Expert Travel Management

EFFORTLESSLY MANAGING THE COMPLEXITIES OF CORPORATE TRAVEL

Choosing the right travel provider can be the key to securing your biggest business deal. The need to partner with an expert—someone who is sensitive to your exact needs, truly understands the pressures faced and implicitly proves their trust—is essential. For more than 30 years, TAG has redefined the standards in corporate travel to provide the award-winning service and expert partnership you deserve.

At TAG, we organise travel for the biggest names on the planet as well as top C-suite and private equity executives. Our purpose is to transform your business travel by delivering reliable, flexible and high-touch services, 24/7/365. From navigating logistics to managing traveller security and controlling cost, TAG's commitment to efficiency, accuracy and confidentiality ensures all parties arrive at their destination safely and ready for business.

As a dynamic team of trailblazers, TAG Travel Specialists work tirelessly and diligently behind the scenes to coordinate all global business travel logistics for you—simplifying your travel booking experience in the process. Powered by people, TAG's agile experts are equipped with the skills and contacts to make even the most complex requests achievable. Our promise to you is that our high-touch, personalised approach means you will experience tailor-made corporate travel—built in partnership with you to ultimately free up your time and keep your budget in check.

Our People (TAGstars) Recruiting the Best Talent

TAG is truly unmatched when it comes to navigating intricate travel logistics and catering to the needs of corporate clients—and this all starts with our people. Employing and developing the right talent with a genuine “can do” attitude is the foundation for everything that we do. Providing ongoing, tailored training and efficient tools means our team stays happy and continuously goes the extra mile for clients. As acclaimed staff, they surpass the usual range of travel agency services to ensure you and your travellers have the ultimate experience.

Our Proactiveness Strategic Account Management

Building upon our exceptional care for your travellers, we also go above and beyond to meticulously oversee your account. We provide each client with a Strategic Account Manager and access to an Executive Sponsor to ensure goals are met and all aspects of your travel are running smoothly. They also proactively seek improvements to your programme, guide you through product and service updates, as well as commit to securing optimal cost savings.

Our Exclusivity Best-in-Class Rates & Expert Negotiation

More than three decades of experience in VIP and C-Suite travel has established TAG as a trusted partner with suppliers throughout the world. With a curated network of global connections, we offer best-in-class rates to keep your spending to a minimum. Our team of expert negotiators will do all the heavy lifting across airlines, hotels or other accommodation, rental car services and other suppliers. We also use the latest technology and creative faring to bring the greatest savings possible to each budget. Leave it to TAG to provide you with unrivalled travel rates so you can allocate your spending to other business needs.

NINETEEN GLOBAL LOCATIONS

With an expansive reach across the world, TAG proudly supports clients from nineteen locations. Our global influence and trusted supplier relationships will positively impact your next trip.

DOING OUR PART, TOGETHER

Tracking and maintaining sustainability initiatives can be overwhelming. But with proactive planning and the right partners in place, becoming a sustainable company is an achievable goal.

At TAG, we have strategically partnered with Thrust Carbon to manage your company's environmental and social impact—through carbon reporting, analysis and offsetting—so you can feel good about the way you travel.

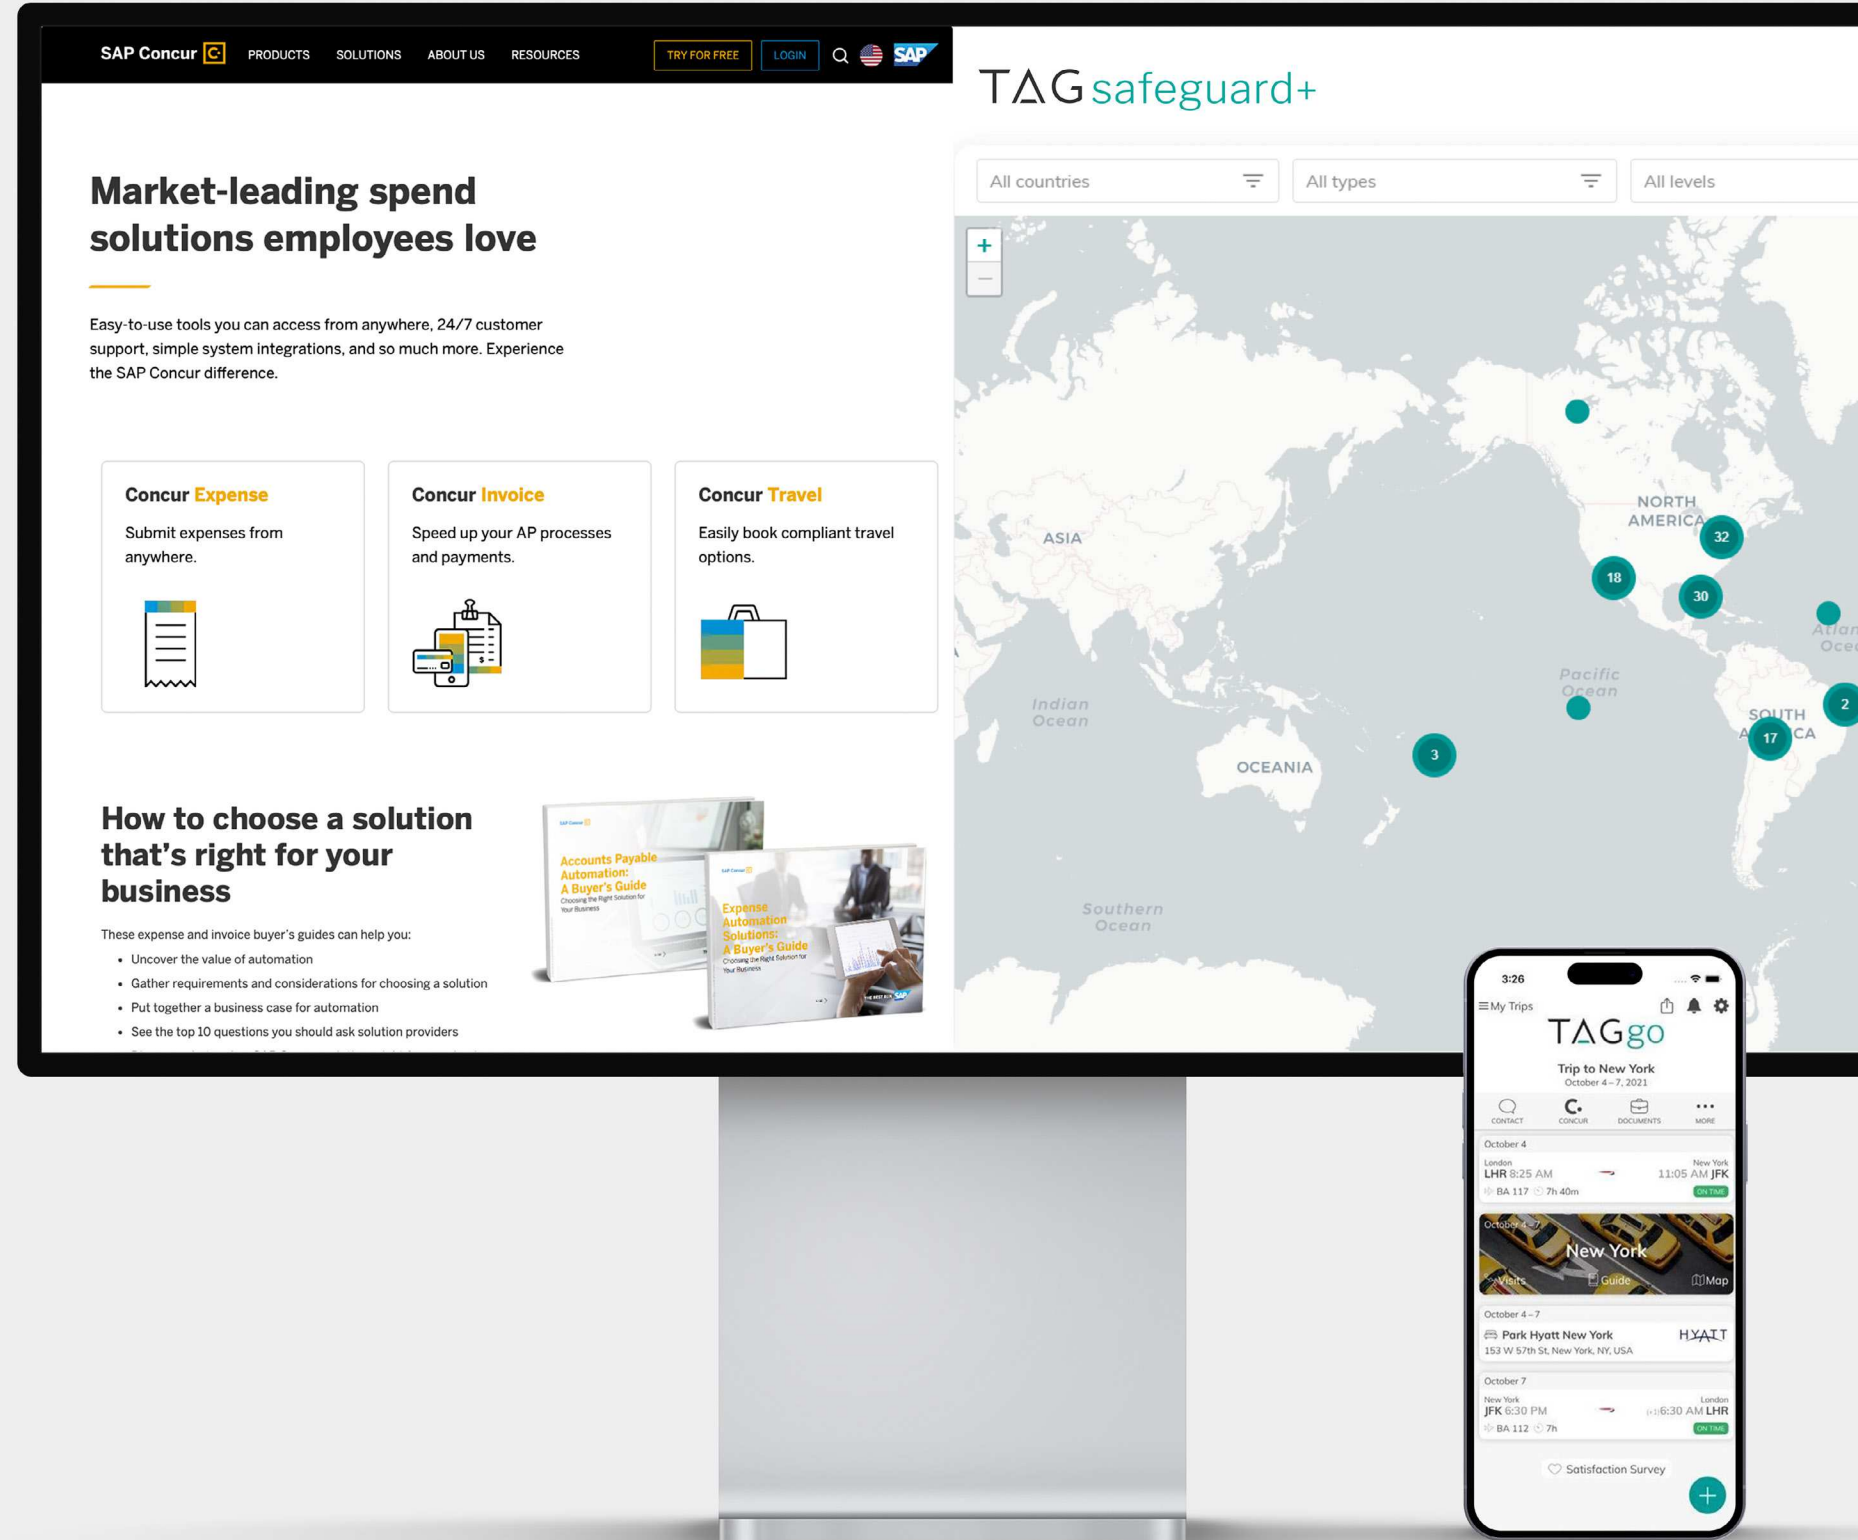

TAGDIGITAL SUITE

Being able to understand your travel programme and have access to the most recent data whenever and wherever you need it is critical to staying on track. Our full technology suite, TAGdigital, offers TAG clients access to unrivalled systems and is consistently adapted to best suit the needs of our clients.

SAP Concur solutions and our extensive network of travel suppliers can help you create an automated, integrated corporate travel system that will help you achieve all of your travel and expense goals.

- ✔ Capture travel data, no matter where it's booked
- ✔ See consolidated travel data on a single dashboard
- ✔ Easily book air, rail, hotel and car using one online booking tool
- ✔ Make policy compliance easy for employees
- ✔ Give employees the freedom to book travel on their own

TAGgo

As an essential travel companion, TAGgo will give you real-time access to all your travel information, right in the palm of your hand.

- ✔ Single sign-on
- ✔ Personalised date/time zone and currency
- ✔ Visa requirements
- ✔ Flight details and mobile check-ins

TAGsafeguard+

Given the current global climate, ensuring traveller safety is more vital than ever. TAGsafeguard+ brings a sense of calm to your world.

- ✔ Track travellers
- ✔ Monitor and rate developing risks
- ✔ Real-time alerts to minimise disruption

TAGanalytics+

See the entirety of your TAGdigital tools in one online dashboard with TAGanalytics+.

- ✔ Consistent headline KPIs - spend, ticket/nights, ATP/ADR, policy compliance and missed savings
- ✔ Provides a quick and clear overview of the performance for the given product and reporting period
- ✔ Compare air, hotel and car spend
- ✔ Dynamic data and customisable reporting

GENERATING SOLUTIONS TO DELIVER SEAMLESS EXPERIENCES

Global business travel is complex, fast-paced, unpredictable and requires meticulous detail; that's why truly understanding its nuances and taking initiative is critical in achieving seamless travel experiences.

You deserve a trusted partner who thinks outside of the box—ultimately getting your travellers where they need to be—while remaining one step ahead, proactively mitigating any and all risks. TAG's extensive travel knowledge, strategic thinking and experience-driven approach has been key to our multitude of success when working within the corporate landscape. Beginning on day one, our expertise allows us to add immense value and means we can deliver on our promise to bring you and your travellers a first-class experience, time and time again.

From the booking process all the way through to arriving home, we promise to deliver exceptional, top-quality services to make your business travel go off without a hitch.

PRIORITISING TRAVELLER WELL-BEING & REDEFINING POSSIBILITIES

Around-the-Clock Support

TAG24 is our global, award-winning, in-house emergency team, dedicated to assisting VIP travellers in emergency situations outside of normal office hours. TAG24 operates on the same technology as your dedicated team which allows them to have full visibility of all travel reservations, passenger profiles, client travel policies, as well as client-specific corporate fares and rates.

Distinctly Discreet

Your privacy and security mean just as much to us as they do to you; that's why we are trusted in delivering highly discreet services. Backed by PCI compliance, TAG Corporate Travel Specialists are extremely experienced at maintaining confidentiality and navigating business travel to ensure traveller security comes first. When you partner with TAG, your travellers can feel confident knowing that any details will remain confidential.

Redefining Impossible

When it comes to details, we thrive in manifesting solutions in seemingly impossible scenarios. From meet and greets to specific suite reservations; blocking airline seats to setting up Apple TV and logging in; pre-setting specific brands of candles in the room and lighting before the guest arrives to arranging butlers to unpack clothes, TAG Corporate Travel Specialists have seen it all. Creative thinking is where our people shine most—ultimately making the impossible, possible for unrivalled VIP treatment.

WHERE IMPOSSIBLE BECOMES POSSIBLE

Our promise to you is that TAG's deliberately different approach means you experience a bespoke travel management programme like never before.
