

With you on the drive towards ground transportation success.

HQ

Summary

HQ SummitGround® is the industry-leading solution for all your global ground transportation needs.

With our intuitive mobile app ([iOS](#), [Android](#)) and [desktop](#) interface, managing multiple employee bookings has never been easier.

It's the convenience of a consumer app but with powerful corporate capabilities and global coverage for all ride types.

Key Benefits

- **Corporate Capabilities** – Book on behalf of others, streamline cross-charging and employee expensing.
- **Corporate Ride-Hail** – Bring ride-hail into your travel program with our Lyft, Gett, Bolt & Curb integrations.
- **Improved Policy Compliance** – Embed travel policies to increase compliance and reduce out-of-policy rides.
- **Duty of Care** – Ensure traveler wellbeing with HQ Connect's meticulous duty of care policy.
- **Reduce Travel Spend** – Receive locally negotiated ride rates without affiliate fees or hidden costs.
- **Ongoing Optimization** – Review reports to identify opportunities for cost savings & carbon reduction.
