

Every flight a plus for your company

partnerplusbenefit.com

A bonus programme – ideal for your company

PartnerPlusBenefit is the Lufthansa Group airlines' corporate bonus programme – free of charge and tailored to the needs of medium-sized companies.

Regardless of whether your company has one or a hundred employees, with PartnerPlusBenefit you optimise your travel costs. On flights operated by Lufthansa Group airlines and the airlines of international Benefit partners your company can collect valuable Benefit points, which are calculated in a way that is linked to the actual ticket price.

These points are credited to your corporate account and can be redeemed for attractive awards which benefit your company. And best of all, whilst you and your employees earn Benefit points for the company on business travel, Miles & More members also earn miles on their personal Miles & More account.

Your benefits at a glance:

- Free participation
- A worldwide route network and the widest selection of partner airlines
- Huge selection of awards
- PartnerPlusBenefit points and Miles & More miles earned concurrently
- Benefit points valid for three years
- Personal advice and support
- Regular special promotions
- Points credited on Lufthansa Group airlines tickets within just a few days
