JLR

Zeelo helped Jaguar Land Rover with retention and staff satisfaction by increasing routes to serve 2000+ riders a week

99.1% of riders at JLR agreed that Zeelo service is important for them to get to work. The increase of 5 new services was in direct response to collecting stop search data from staff to highlight new demand

Staff insights

83% of 816 surveyed employees agreed that having access to the Zeelo had improved their mental wellbeing at work

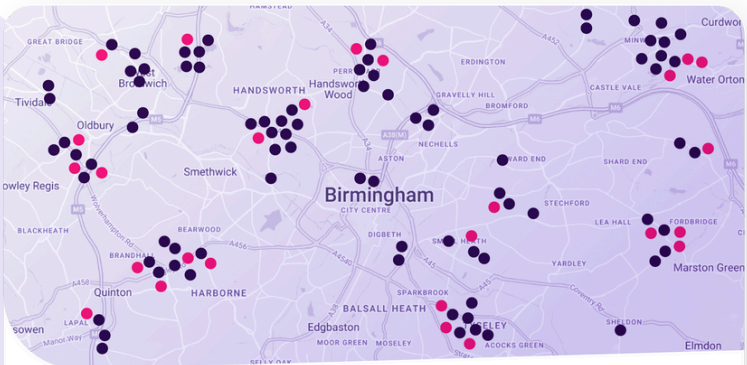

Staff retention

With increasing ridership week on week, 65.5% of riders agree that they cannot get to work without a Zeelo service

Modal shift

Zeelo currently operate 7 vehicles per day helping remove approximately 1,400 car journeys per day

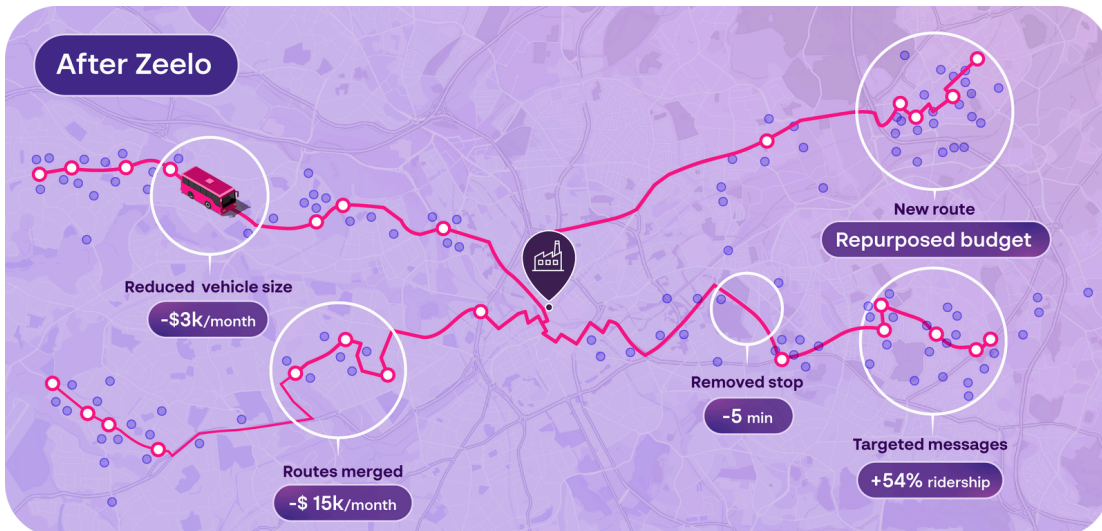

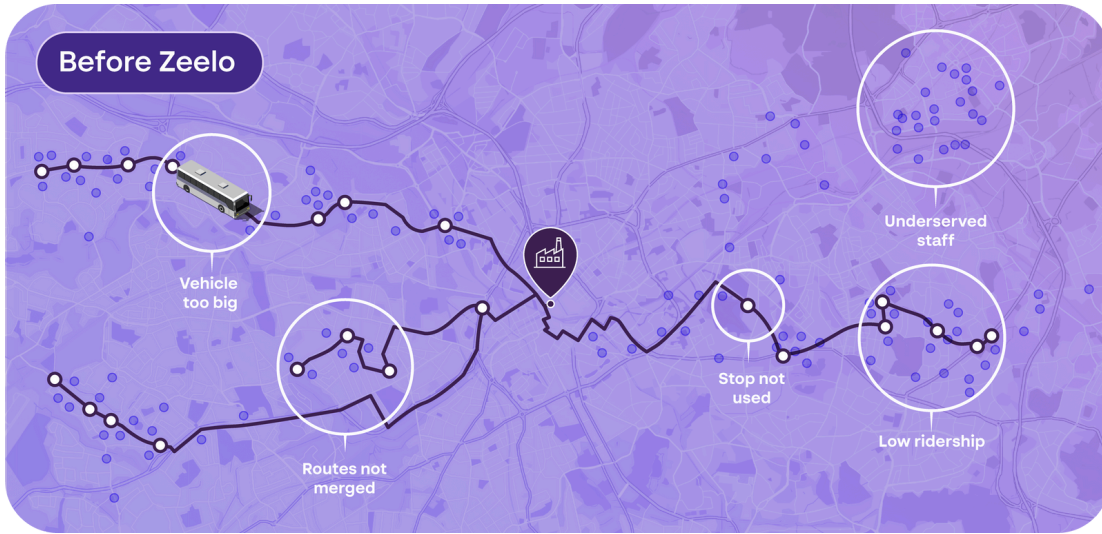

Return to work

To support the return to work our stop search data allowed us to highlight huge demand in previously underserved areas, allowing Zeelo to increase ridership by 100%

Zeelo's holistic approach to staff transport outperforms in-house management, delivering exceptional results.

Our service optimisation delivers the most cost effective transport for your budget, driving ridership to decrease cost per rider.
