

WELCOME TO CORPORATE COMFORT

# ELEVATING YOUR STAY

You've made a smart choice!

**Spacious, fully furnished accommodations for a home-like feel.**

We provide tailored amenities to suit your needs, from kitchens to laundry facilities. Your comfort is our priority.

**Rigorous safety protocols for your peace of mind.**

Each property is vetted to ensure location and safety.

**Fully committed to Environmental, Social and Governance.**

Our eco-friendly initiatives are integrated into our business. Sustainable practices are at the heart of our operations.

Our passion is finding the perfect housing for you and your needs. Since 1999, we've been global leaders in customised corporate housing and 360-degree services to help you find a temporary home.

With 28 offices across North America and in London and Singapore, National is the trusted serviced apartment go-to resource for companies worldwide. Our global housing experts create personal, human-connected relationships to understand each client's unique housing needs and create exceptional experiences. For us, every guest is a VIP.

With a global footprint and local expertise in cities near and far, our work all comes down to this: We thrive on turning the unfamiliar into the comfortable. A challenging temporary housing need into a happy solution. The "mission impossible" into Mission Possible and, our clients into lifelong friends.
