

UPGRADING THE BUSINESS TRAVELLER EXPERIENCE

Give your clients workforce access to 1st class upgrades across 870+ destinations, with unrivalled value and flexibility.

WHAT IS SEATFROG?

Seatfrog enables your clients to offer employees a way to upgrade from Standard to First class across 870+ destinations without any change in policy settings.

Now you can enable your clients to increase employee productivity on the go and improve wellbeing, leading to a more engaged, loyal workforce, who feel valued.

870+ DESTINATIONS

Unrivalled access to 1st class upgrades at the tap of a button across 870+ destinations

COST EFFECTIVE

Help your corporate clients provide a comfortable and productive travel experience for their employees without having to compromise on budget or existing policies.

EMPLOYEE HAPPINESS

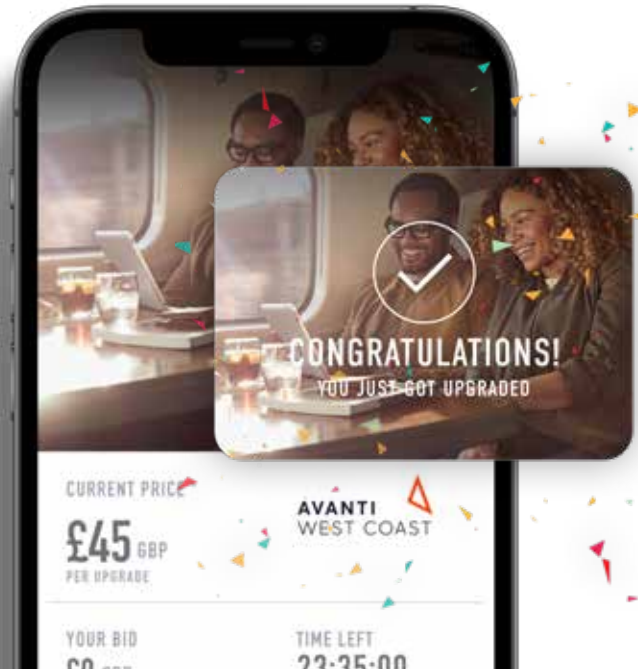

Corporates can now engage their teams and attract new talent with a fresh new staff benefit that every employee wants, all whilst promoting employee wellbeing.

EMPLOYEE REWARDS

The wallet function lets your corporate customers apply credit for employees to use, based on seniority, personal performance or as a core perk for all staff.

PUSH LIVE TODAY

Get started today with zero effort via Seatfrog's live integration in the Evolvi GUI/API. Visibility can be controlled on a per client basis through policy settings.
