

London calling? JetBlue answering.

We're taking everything people love about JetBlue above and beyond—and across the pond—bringing a whole new level of service and comfort to transatlantic travelers who want the best experience and a brilliant fare. Daily service from New York (JFK) to both London Heathrow (starting Aug 11) and London Gatwick (starting Sep 29).

With a total of 141 seats, our sparkling new A321LR offers a boutique, personalized experience that has the oversized, airy feel of a widebody, thanks to our partnership with Airspace by Airbus.

Whether you choose the most legroom in coach*, an Even More® Space seat, or your very own Mint Suite™ or Studio™, you're in for a jaw-dropping pond-hopping experience like no other.

The JetBlue experience

117 seats offer our core experience including the most legroom in coach*, award-winning service—and all of the following, included in the fare:

- Unlimited free high-speed wi-fi
- 10.1" seatback screens with free movies and live TV
- Easy-to-reach USB-A, USB-C and AC power
- Farm-to-tray-table fare from Dig—choose protein + base, plus 2 sides to build one of 9 possible options
- Dessert, a pre-arrival light bite, plus self-service snacks from the Pantry
- Beer, wine and liquor (21+)

*Based on baseline seat pitch of transatlantic aircraft

Purchase an Even More Space seat for up to 5" more legroom, early boarding and early access to the overhead bins, and expedited security lanes (where available).

Mint

22 private Mint Suites offer direct aisle access and a sliding door for privacy, plus:

- A fully 6'5" lie-flat seat built with Tuft & Needle's T&N Adaptive® Foam cushion, memory foam pillow, customizable blanket, and comfy slippers.
- Unlimited free high-speed wi-fi
- Large 17" TV with free movies and live TV
- Easy-to-reach wireless phone charging and AC power, USB-A and USB-C
- Choice of small plates for both your main and pre-arrival meals (including some spins on British classics), a custom playlist to go with your main meal, and an expanded dessert menu—from NYC hotspots Pasquale Jones, Charlie Bird and Legacy Records.
- Artisan wine list, beers and cocktails shaken on board— complemented by a curated selection of gourmet snacks.
- Snooze kits designed by Tuft & Needle® and wellness kits from Wanderfuel.
- Residential touches, including customizable lighting, and dedicated storage and nooks for shoes, a 13" laptop drawer and more.

Mint Studio®

2 spacious front-row Mint Studios feature all the bells and whistles of our newest Mint suites, plus:

- The largest bed and TV (22"!)
- An extra seat and table—to work, lounge and entertain.
- A mirrored vanity and even more storage.
- Complimentary loungewear.

**TRUE
BLUE**

With TrueBlue, our award-winning loyalty program, our customers see the rewards of loyalty faster.

-  Points don't expire and can be redeemed for any seat, any time (no blackout dates!).
-  Redemption values are based on current fare—not some arbitrary static number like 25,000.
-  Earn points when traveling on JetBlue and select partner airlines—and without even stepping foot on a plane, through our travel, retail and credit card partners.
-  Earn and share points with friends and family with Points Pooling.
-  Pay with nearly any combination of cash + points—starting with as little as 500 points.

More options out of the gate.

JetBlue gives you more choice than any other airline—including your choice of airport in London, with the only nonstop service between the U.S. and both London Heathrow and London Gatwick.

London Heathrow

Located just 14 miles west of Central London, London Heathrow is the largest airport in the U.K. and offers quick, direct train links to Central London via the Heathrow Express, TfL Rail and London Underground. JetBlue will fly out of Terminal 2.

London Gatwick

Ideal for travelers to and from a variety of U.K. destinations, London Gatwick offers direct train links to Central London's Victoria Station via the Gatwick Express and to the City of London via Thameslink. Thameslink also offers round-the-clock service to communities beyond Central London. Fly JetBlue out of the North Terminal.

T5 at NYC's JFK

Travelers to the U.S. can enjoy seamless access to and from JetBlue's 100+ destinations in the U.S., Latin America and the Caribbean through New York (JFK) and our spacious, modern Terminal 5. For travelers staying in the NYC or tri-state area, T5 offers convenient connections to the NYC subway and bus system, and the Long Island Railroad via the AirTrain.
