Meetings on-demand

Book smaller meetings in minutes

The screenshot displays the Hubli website interface. At the top, there's a navigation bar with the Hubli logo, links for Platform, Pricing, Resources, and List Venue, and a 'Find Spaces' button. Below this, there are filters for 'Meeting', 'Workspace', and 'Stay', along with location (London, UK), date, and number of people/bedrooms. The main content area shows a list of meeting rooms with details like name, location, number of spaces, amenities, ratings, and price per day. A map of London is visible on the right side of the interface, showing various districts and meeting room locations marked with pins.

Workspaces on-demand

Book hot desks and private workspaces online

The screenshot displays the Hubli website interface. At the top, there's a navigation bar with the Hubli logo, links for Platform, Pricing, Resources, and List Venue, and a 'Find Spaces' button. Below this, there are filters for Meeting, Workspace (selected), and Stay. The location is set to New York, NY, USA, with options for 'When' and '1 Person'. The main heading reads '1296 Workspaces in New York, NY, USA'. Three workspace listings are shown:

- The Yard: Flatiron South**: Business centre - 5th Avenue. 1 Space, Modern. 5.0 (1 review). \$35 / day.
- Carr Workplaces Grand Central**: Business centre - New York. 4 Spaces, Save 25%, Covid Policy, Modern. 5.0 (8 reviews). \$25 \$19 / day.
- Workspace by Rockefeller Group**: Business centre - Rockefeller Plaza. 2 Spaces, Modern, Traditional, Historic. 4.8 (5 reviews). \$350 / day.

On the right side of the interface is a map of New York City with numerous location pins indicating available workspaces. The map includes street names and neighborhood labels like Hell's Kitchen, Midtown West, and Midtown East.

Everything you need in one place, Available online 24/7

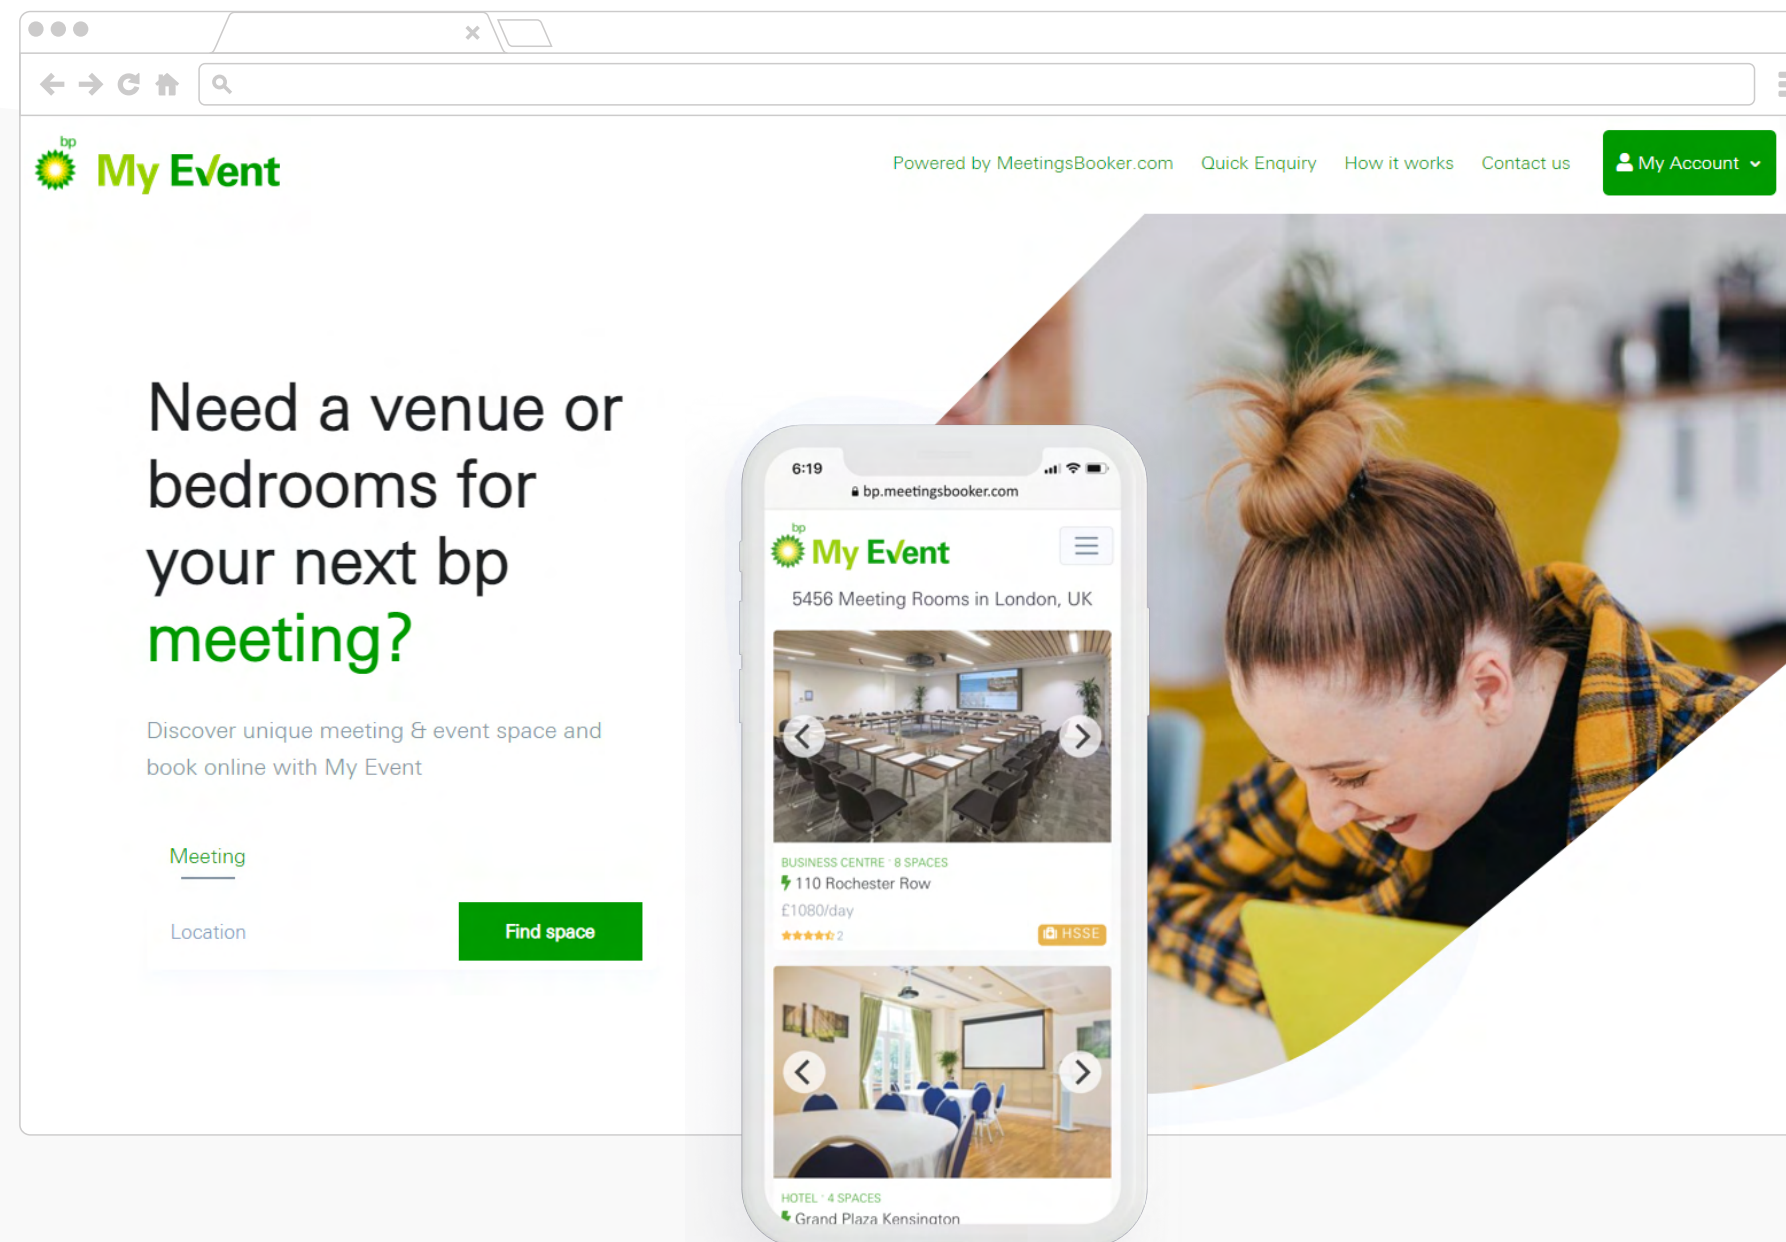

- ✓ Booking volumes
- ✓ Savings reports
- ✓ Visibility on team locations
- ✓ Detailed usage and occupancy reports
- ✓ Reporting API

Bespoke customisation

The system can be customised to suit your needs

- ✓ White label website with your branding
- ✓ Custom venues terms and conditions
- ✓ 3rd party integrations
- ✓ Single sign on (SSO) capability

The Results

Efficiencies, savings & satisfaction.

10,000

Employees with online access, via a fully integrated Single Sign-on Solution.

6,000

Digital Safety certs. Using new online certification system all existing partners had digital Health and Safety certificates, along with all new venues that accepted bp bookings.

18%

Savings on new meeting bookings on average.

80%

Reduction in booking time. With new online booking and payment system, bp staff made significant time saving.

“

We have transitioned from an office first to flexible working environment, Meetingsbooker has assisted us in this transition.

Our teams can book safe meeting, workspaces and group stays while maintaining our strategic pillars of safety and sustainability.
