

ADDISON LEE INTRODUCES BLACK TAXI SERVICE

For over 45 years, Addison Lee has been the trusted brand for London businesses, renowned for safety, quality and reliability. Now, with our new ComCab Colleagues, Addison Lee is London's largest Private Hire and Taxi business.

Your one-stop-shop for quality transportation in London, book Black Taxi services via Addison Lee's digital channels, the natural choice for comfort, safety, accessibility and punctuality.

SERVICE

Our Black taxi service offers unrivalled coverage and flexibility to London's business community.

Operating over **2,500 iconic black taxis** across London

Book services via the Addison Lee App and Web

30% of fleet = LEVC TX Plug-in model

With **access to London's bus lanes**, we'll get you there faster

All journeys are underpinned by Addison Lee's **Safer Journey Initiative**

SUPPORT

Addison Lee's support teams and automation tools help you cut the admin and make compliance easy.

Flight monitoring and journey tracking; we'll adjust pick up times for flight arrivals and delays

Access journeys and invoices via our self-serve online portal (with multiple admin levels)

24/7 UK Contact Centre

Categorise each booking (cost codes, reasons for travel etc.) to make reconciliation easier

Reporting which supports VAT reclaim and identifying tax allowances (e.g. out-of-hours employee bookings)

ComCab

BLACK TAXI

Brought to you by our ComCab brand, London's largest black taxi fleet, the pinnacle of safety, reliability and flexibility.

Black Taxi drivers know **320 routes and 25,000 streets** in London by heart

Drivers and vehicles are regulated by **TfL's Public Carriage Office**

All black taxis feature built in **partition screen** which allows for air flow

Professional drivers with an average of 20 years' experience

ACCESSIBILITY

Black taxis were designed to make cities accessible to all, offering comfort and safety to passengers.

Microphone system for open communication between the passenger and driver

Braille embossed controls and hearing loop

Folding step and swivel seat to provide easy access to the spacious interior

Discreet access ramp with adjustable angle integrated into the floor
