

# GO GREEN, GO BY RAIL.

AVANTI  
WEST COAST

Sustainability means the world to us. That's why we've made a plan which looks after all our tomorrows.

Leave your car at home and take the train to cut carbon emissions by two thirds. Trains account for 10% of journeys but only **1%** of transport emissions and reduce UK carbon emissions by up to **7.7 million tonnes** every year. A single train removes up to **500 cars** off our roads. Get on board.

## OUR RESPONSIBLE PLAN

Our Responsible Plan is built on four pillars which help focus the sustainable development goals we're aiming for.
