

**Hello
from
Roomex.**

Who are we?

Supported by travel experts, Roomex is the **leading travel and expense management platform for the mobile workforce who carry out project-based travel**. Roomex helps you book, manage, pay and analyse all of your accommodation, rail and expenses in one place - saving both time and money.

Roomex brings visibility and control into your travel and expense management, helping you create business efficiencies.

We'll help you answer...

Do you need to be using multiple platforms to book your hotel stays?

Are your negotiated rates still saving you money?

How much was saved this quarter compared to last?

What hotels are costing you the most?

Is your travel policy really driving down costs?

Is your team paying out of pocket for expenses?

How are you keeping track of hotel payments?

How much time is your team spending on avoidable admin tasks?

Are you paying more than your peers for travel?

Roomex is **the only** workforce Travel and Expense Management Platform.

No matter where your workforce needs to be, we make travel easier for you so you can search, book, manage and pay for all your travel bookings in one place, whether you're at your desk or on the road with our mobile app.

Pay **your way** with RoomexPay.

The smart, end to end workforce spend management solution. Our prepaid card eliminates expense management and gives you full visibility and control of all in-trip spend.

The modern, flexible company card

Gain visibility and take control of all company spend when each card has customisable limits and can be monitored and reported on in real-time with our analytics.

Manage and view all expenses in one place

No paperwork, false claims, or manual errors when you control the entire expense process and reduce risk by eliminating the possibility of bogus claims and corporate card overspend.

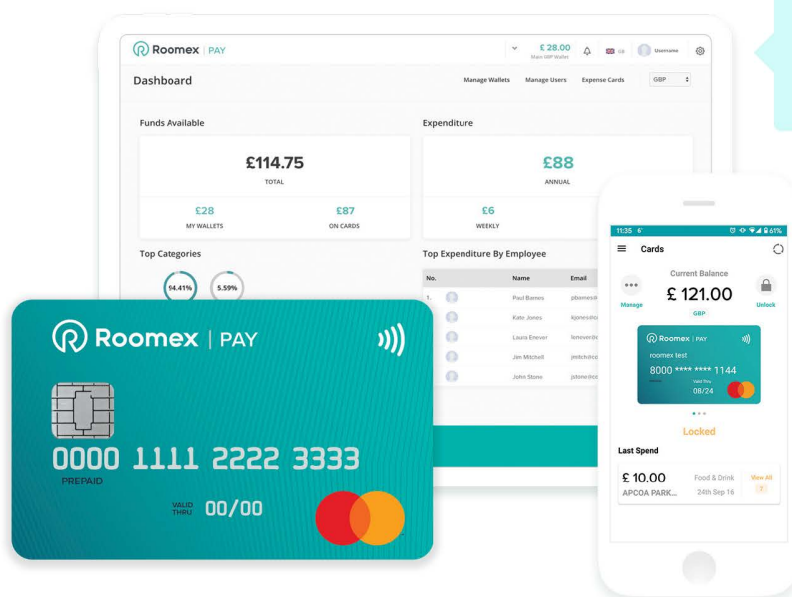

Never leave employees out of pocket

With instant notifications to the main office, they have the ability to request top-ups while on the road or cancel or freeze a card should a problem arise.

Simplify payment and expenses for employees

Securely and simply pay with the RoomexPay card or app and take a picture of the receipt to instantly claim the expense so they never have to sift through receipts at the end of a trip.
