

TAG C-SUITE

A VIP Service

TAG

TAG C-Suite is staffed exclusively with experienced, concierge-style agents set to service VIP's and their administrative assistants.

We offer a wide range of benefits for our C-Suite travellers, including the following:

Dedicated contact details

Upgrades for hotels and car rentals

Airport meet and greet

Arrange for limousine and other ancillary services as requested

Book and ticket required companion reservations as needed

Assistance with frequent flyer reward redemptions

Special care to “waivers and favours” from travel suppliers

Accrual of upgrades for airlines, hotel, and car rentals upon availability

Contact airlines directly to arrange seats for travel companions not booked by TAG

Provide assistance with (not limited to) dining, entertainment, charter flights & tee times

Reservations for VIP travellers are queued to Senior Managers for review and VIP upgrade inquiries are made

Pursue hotels and car rentals upgrades by calling the hotel directly

“

TAG consistently provides an attentive and responsive service with regards to our corporate travel. As we have expanded and evolved our service offering, they have made the integration of other regions a frictionless process and have provided proactive support in helping train and support our employees.
