Carbon Offsetting FOR MEETINGS & EVENTS

TRAVEL
WITH PURPOSE

Using the Hilton's LightStay corporate responsibility management system, Hilton provides a detailed estimate of the carbon emissions associated with a specific meeting or event. **Carbon offsets can be used to mitigate carbon emissions, such as those associated with meeting and events travel.**

Hilton, in partnership with South Pole, can then provide clients with carbon neutral meetings by investing in high quality carbon reduction projects that are aligned with the United Nations' Sustainable Development Goals and Hilton's 2030 Goals, which are to cut our environmental footprint in half and double our social impact by 2030.

YOUR EVENT, CARBON NEUTRAL, AT NO COST TO YOU
