Optional Off-Site Experience: National Polo Center

1:00 p.m. – 4:30 p.m. | National Polo Center

Palm Beach County is home to some of the most unique sports venues in the country. In this off-site experience, you'll have the chance to visit one of them through an interactive session at the National Polo Center, home to the U.S. Polo Association and spanning nearly 250 acres. Guests will be invited into the 7th Chukker Club, including its library and trophy displays before getting an opportunity to experience aspects of the game first hand. At interactive stations, you'll get an up-close view of the sport's most important athlete — the horse! You'll also be introduced to the foot mallet and get some coaching through some practice shots. And you'll mount a wooden horse and compete to see who can make the longest shot for the chance at some USPA merchandise. Take advantage of this once-in-a-lifetime opportunity to see the new ways one of the oldest sports is thrilling fans.

This optional experience is included with your TEAMS registration, but an RSVP is required.

Please be sure to wear soft-soled, close-toed shoes. Buses will depart at 1:00 p.m. for the National Polo Center.
