## HARD ROCK HOTELS GLOBAL MAP

# OUR ROOTS

In 1971, two shaggy-haired Yanks opened an American diner in an old Rolls Royce dealership in London. It had nothing to do with market studies or target audiences. It didn't even have anything to do with memorabilia. That was just a goof: Clapton wants to save his favorite table - sure, we'll put the guitar on the wall. Four decades, 50+ countries and 180+ Hard Rock Cafes and 30+ hotels later, we're still saving tables for our rock star friends, and for millions upon millions of their fans.

# LIVING OUR MOTTOS

While music is the heart of Hard Rock, philanthropy is its soul, and Hard Rock International is committed to making a difference through a wide variety of philanthropic causes and activities. For more than 50 years, Hard Rock International has made it both its business and its abiding passion to make the earth a safer, healthier and better place to live. Since opening in 1971, Hard Rock International has been committed to two consistent brand pillars, music and philanthropy. In 2016, Hard Rock International launched the Hard Rock Heals Foundation, a global charity that aims to improve lives through the power of music. Hard Rock's guiding principle, "Love All – Serve All," encompasses the brand's dedication to its core mantras – "Save The Planet," "Take Time To Be Kind" and "All is One."

LOVE ALL–SERVE ALL  
TAKE TIME TO BE KIND  
ALL IS ONE  
SAVE THE PLANET

# VIBE

Music is our essence. It can create moods and memories. It can make you move you to the floor or tuck you into bed. Music has a powerful effect on creativity. It can make you want to leave, or it can make you want to stay. Ignore it at your peril, as it is our potent brand differentiator and we take it very seriously. Our guests should not leave us and hear the same tracks at the mall or an airport food court that they have heard at our hotels. Hard Rock Hotel playlists are bespoke, lovingly hand crafted by our team of musical magicians. Remember that mix tape you made for your high school crush? Well our DJ's are crushing on our hotels. And their record collections are huge. But love is a two-way street, and that's one reason why our Vibe Managers, whom we refer to as the Visionary Individuals Behind the Experience, at each property are vital. Their input and expertise, their physical presence on the ground, is crucial in properly executing the music program.

MUSIC IS OUR ESSENCE.  
IGNORE IT AT YOUR PERIL.

# EVERYONE HAS SPACES, WE HAVE VENUES

From setup to sundown, our team of professionals is here to provide all you need to produce an unforgettable and unparalleled event. This is different with purpose, engaging with energy, and uniquely designed to inspire.

- Unparalleled service and accommodations
- Contemporary, luxury design
- Expert AV and technological integration
- Dynamic event facilities
- World-class food & beverage

## GREEN INITIATIVE

Clean the World provides all of the guidance and materials so attendees can recycle and/or build hygiene kits and donate them to local organizations.

The Hard Rock brand continues to live up to its "Save the Planet" creed as participating Hard Rock Hotels implement the immediate collection and donation of recycled hotel soap and bottled in-room amenities such as; shampoo, conditioner, body wash and lotion, to help fight the global spread of preventable diseases through the distribution of sanitized

hygiene kits crafted with these recycled materials.

This hands-on program allows meeting professionals and event planners to incorporate an eco-friendly exercise that promotes team building and cooperation while giving back to impoverished individuals and communities.

# RHYTHM & MOTION

## ROCK SPA® HAS A NEW SET LIST.

**SYNCHRONICITY** Lose track with the musical massage that takes you away from the world for a while. Our masterfully blended soundtracks take you on an experiential journey in sync with a performance of techniques, pressure, and rhythm. The treatment is infused with your choice of natural organic essential oils to reduce stress, ease muscle tension, and detoxify. You have never felt the music quite like this.

**FACE THE MUSIC** Every Rock Star needs a little rehab once in a while. This facial brings the therapeutic benefits of sound vibration and clinically proven organic products to rejuvenate and hydrate the skin.

**SMOOTH OPERATOR** Retune your skin and rock your soul with our two-part treatment that removes impurities and invites new nourishing elements in. Starting with the rhythmical sweetgrass inspired dry brushing, a ritual that softly sloughs rough skin away. Closing with a soothing detoxifying wrap designed to release toxins, hydrate, and smooth the skin.

**WRAP REMIX** The ultimate healing experience that warms you up and wraps you in bliss with a sweet finish. For the full body benefit, this treatment begins with a cleansing shot of ginger tea to jumpstart your detox process, followed by a brisk, rhythmical sweetgrass inspired dry brushing. Following our detoxifying wrap to nourish your skin, the 50-minute Synchronicity massage and cleansing facial mask complete the treatment. A refreshing shot of Rock Spa® Detox Tea is then served to keep you in a state of *ahhh* even longer.

At Rock Spa® we understand that a life in balance is often lived on the outer edges of healthy and hectic. We get it... LIVE HARD, PURIFY HARDER.

The SAFE + SOUND program has been developed by a team of hospitality and gaming experts in collaboration with worldwide health and sanitation specialists, such as Ecolab and NSF. It also includes directives of key agencies, such as the World Health Organization (WHO) and the U.S. Center for Disease Control and Prevention (CDC). SAFE + SOUND is focused on enhanced cleaning practices, social interactions and workplace protocols, while ensuring transparency through the Guest and Team Member journey.

As part of the program, every Hard Rock Hotel & Casino around the world is required to

# REVEЯB

— BY HARD ROCK™ —

# REVERB

— BY HARD ROCK™ —

For almost half a century, Hard Rock has been one of the most universally recognized brands around the world, a brand that stands out and elevates the hospitality experience.

Hard Rock Hotels are places to worship the gods of music and Reverb is his techsavvy sibling. A new Hotel concept inspired by music and the understanding that everyone and every town has their own playlist.

MUSIC MAKES YOU FEEL GOOD  
AND BRINGS PEOPLE TOGETHER...

The first of its kind, Reverb Downtown Atlanta is Hard Rock's cool and contemporary hotel that moves to the rhythm of the city it calls home. All 195 rooms are tech-enhanced for your comfort, with premium plush beds, spa inspired bathrooms, and smart features like voice-assisted lighting, TV and music control. For bigger bands and family clans, book the oversized roadie rooms featuring 3 queen bunk beds (6 beds, sleeps 10). Explore our flexible co-working space that has all you could ask for, including fast & free wifi, or reserve Reverb Radio and take the "bored" out of boardroom. Self check-in means nothing gets in the way of your group's opening act, be it business or pleasure. The lobby is home to Constant Grind, your cafe by day and local bar by night, or head up to RT60, the awe-inspiring indoor/outdoor rooftop bar overlooking the Mercedes-Benz Stadium. Once your group has checked in, they'll want to get out and explore the neighborhood. So check out our city guide to find out what's what and what's where.
