

LET'S MAKE TOUR BUSINESS EASY!

The first software dedicated to multi-day tour operators.

Connecting Multi-Day Tour Operators to Global Distribution Partners

Tour Amigo is the only technology company for multi-day tour operators that provide software, channel management and distribution.

On average, Tour operators have seen an **additional 35%** increase in sales as a result of distribution to new channels.

As specialists in travel technology, Tour Amigo manages and maintains all connections between tour operators and distribution/selling partners.

"Tour Amigo is opening up our distribution path to a way wider community, whether it's B2B, direct, wholesale, OTA... it's a huge opportunity."

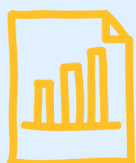

Dylan Hearne
Backroads Touring

Tour Amigo is already providing online distribution to some of the largest global tour operators...

Streamlined technology solutions for multi-day tour operators

Get more bookings

Receive online bookings and grow revenue with online bookability.
