Window to **easy**.

The **new**
AirPlus Corporate Card.

Crafted to make the most of every trip.
Welcome to the world of easy business travel.

What easy means for **your company.**

- **Digital rollout:** three-step onboarding
- **Low admin:** automated processes
- **Richer data:** for every transaction
- **Total control:** cost transparency
- **Negotiating power:** detailed analysis
- **One partner:** no banks or middlemen

Business travel set **free.**

Focus on what matters. Leave the rest to us.

We crafted the AirPlus Corporate Card for perfect business travel. It's the ultimate solution for your employees on the go. Data transparency and easy admin don't hurt either. Easy, convenient and secure, it's your one-way ticket to freedom.

Total **control** at your fingertips.

Easy business travel means having the flexibility, convenience and security to make the most of every transaction.

Your company profits from simplified processes and reduced admin. The AirPlus Portal gives you complete card portfolio visibility. You can adjust individual card limits and set customised rules. Leverage this control to improve decision making, sharpen policies and negotiate contracts.

A smoother ride.

We've got your back every step of the way – from rollout to reporting.

- Streamlined digital implementation
- Seamless onboarding
- Maximum transparency
- User-friendly process

The **right** partner.

AirPlus is a decorated travel payment specialist. Our AirPlus Corporate Cards have received some of the highest accolades in the industry.

What easy means for your travellers.

- One card: for every need
- Global acceptance: Mastercard® network
- Local support: in their preferred language
- Duty of care: comprehensive
- Insurance coverage¹

Your travellers share in the spoils.

Extensive insurance coverage¹ and reduced reliance on cash are pluses for all involved, but your travellers will also view their transactions in real time, check balances, download statements, block/unblock cards on demand and easily view their PINs.

They benefit from the convenience of global acceptance, premium services, local customer support and greater overall satisfaction on the go.
