

How advanced is your organisation's sustainable travel programme?

We haven't started yet

We're just beginning/setting goals

We have some initiatives in place

We have a mature programme with clear targets

We are a leader and influence others

Does your organisation currently track and report the carbon impact of employee travel?

0 1 4

Yes, accurately and consistently

Yes, but not always reliable or complete

No, but we plan to

No, and no plans to

Is ESG performance a formal part of your travel supplier RFPs?

007

Yes- it significantly influences selection

Somewhat- considered, but not decisive

Not currently

Not sure
