on 19 Oct 2023, 11:18 (GMT +8.0)

Organized by Marina Bay Sands, Sands Expo and Convention Centre WSH Team

The acknowledgement receipt should be kept by the contractor. The MICE LBS WSH team will perform an onsite spot check by scanning the QR code.

In the event that the MICE LBS WSH team is unable to verify that the contractor onsite has attended the briefing, the contractor will be asked to stop the work and complete the online safety briefing.

All contractors are strongly encouraged to attend and complete the safety briefing before starting work on site. The contractor will not be able to carry out their work onsite until they have completed the online safety briefing

STEPS ON COMPLETING THE MICE SAFETY BRIEFING

NOTE THE FOLLOWING KEY POINTS:

- All contractors are required to complete the safety briefing prior to the start of work
- The validity of the safety lasts for two years of the calendar year. After that, he/she should take it again.
- The contractors are required to reattend training if there are any amendments or update to the training deck as A result of legal updates or internal updates.
- In the event that a user encounters difficulties with enrollment or requires assistance , he/she may contact MICE LBS WSH TEAM during the hours of Monday to Friday, 9 am to 5 pm (SINGAPORE time)at LBS_WSH@Marinabaysands.com

THANK YOU
