KAURI BAY

Often chosen for excess large group accommodation, but more so for the authentic, social and cosy nature experience so many people seek and crave.

Our equipment is fully portable and can be transported by truck or helicopter if necessary.

We've even set up on private islands via boat and even used a tractor for far-flung festivities. If you can dream it, we'll go the extra mile to make it a reality.

Power, showers, toilets and catering are available through other vendors.

SNM services are based on the “just turn up” approach: delivered, set up, fully-furnished and packed down for you. A brought to you and done for you service.
