

Bali Nusa Dua

CONVENTION CENTER

A WORLD OF ITS OWN

Bali has developed into a world of its own. It captures not only what is special about Indonesia, but embodies a unique spirit that can only be found on the island. Indeed, there is a great deal to experience in Bali that cannot be found in any other place.

As one of the most magnificent islands in Indonesia - offering countless natural beauties of its famous sandy beaches, rice terraces and volcanoes. The uniqueness of its Hindu culture is ubiquitous in day-to-day life; it is echoed in the temples and palaces, the arts and crafts centers, the ceremonies, the festivals, the traditional dances and the distinctive tune of the gamelan.

With more than 60 international and domestic airlines operating at the Ngurah Rai Bali International Airport, this beautiful island is just a flight away from anywhere in the world.

Flight Times from Bali

Denpasar-Tokyo:	7 Hours

OUR EVENTS

Bali Nusa Dua Convention Center (BNDCC) has hosted numerous high profile events including G20 Finance Ministers and Central Bank Governors Meeting, Global Platform for Disaster Risk Reduction (GP2022), Annual Meetings Monetary Fund (IMF)-World Bank Group 2018, IBM International Corporate Meeting, 29th Annual Conference Asian Pacific Association for the Study of the Liver, Asia Pacific Oil & Gas Conference and Exhibition and Bali Democracy Forum.

Meetings & Conventions

BNDCC is an exceptional venue choice for professional events of up to 10,000 delegates with a total of 44 multi-functional rooms including Nusa Dua Hall (4,400 sq.m), Pecatu Hall (1,770 sq.m), Singaraja Hall (1,734 sq.m) and other 32 fully equipped meeting rooms for break-out session, luncheon, dinner, workshop and conference.

All these rooms come in a range of sizes and sub-divisible options which gives a great degree of flexibility.

The room capacities range from 80 to 4,800 delegates and are available with different room layouts including theatre style, boardroom, classroom and banqueting.

Exhibitions

Clients have a choice of four pillarless halls in size from 920 sq.m to 4,400 sq.m, with ceiling heights for up to 10m, and are complete with essential services such as electricity supply, UTP data cable, audio and telephone cable.

The 6,000 sq.m lobby area is perfectly suited for smaller scale of exhibition and for outdoor exhibition is located at Taman Jepun with size of 1,500 sq.m.

Virtual Event Solutions

BNDCC's Virtual Event Solutions reinvent your events by providing a safe space to host your virtual meetings.

We offer an end-to-end solution with our Event Services, Audio Visual and Information and Communication Technology teams to bring your event to life with the flexibility of hosting your delegates onsite while streaming live to your online delegates in a virtual format.

OUR SERVICES

We pride ourselves on our excellent team, whose diverse range of skills, matched with our flexible facility, combine to give all the requirements you need to deliver a world-class event. BNDCC offers a broad range of services, which can be tailor-made to suit your needs.

In addition to our services, we offer solutions to reinventing your events by providing a safe space to host your virtual meetings.

Event Services

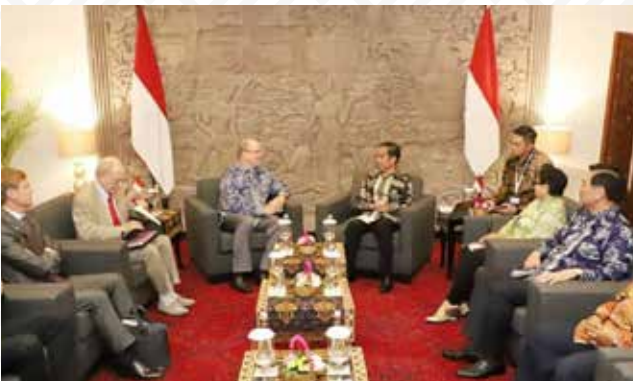

Our experienced Event Services will assist you in planning and managing your event with a first-rate service to deliver a successful event.

Food & Beverage

From a business luncheon of 10 to buffets for 5,000 or a gala dinner of 2,500, we will provide an exquisite dining experience. BNDCC has successfully hosted head of states gala dinner, welcome receptions for international corporate meetings, association conventions and many other social events.

BNDCC also provide outside catering service, created especially to deliver cuisine of the highest quality for any event in Bali.

VIP Room

With exquisite and well crafted interior design, our VIP Room can facilitate specific arrangements for dignitary guests, bilateral and one-on-one meetings.

Technical Services

Our facility is complete with state-of-the-art equipment in every room, full coverage Wi-Fi of more than 300 access points, advanced communications, IT solutions and integrated fiber optic connectivity. Our highly trained manager will assist you with your technical requirements, including AV, staging, sound, digital signage, presentation equipment and technical expertise.

Ample Car Space, Security and Safety

BNDCC provides a large and easily accessible parking area onsite with 400 parking space for cars and buses.

With a combination of advanced technology and trained security personnel, we can provide high-level security arrangement at any event.

Café and Lounge

Jimbaran Cafe and Seminyak Lounge are the ideal spots for delegates to unwind and explore our international cuisine between sessions. The cafe and lounge serves a choice of a la carte and buffet menus.

Bonded Warehouse

An on-site Bonded Warehouse facility is available for fast and safe custom clearance for temporary imported exhibition goods and equipment. This service guarantees the convenient and professional import and re-export of exhibition and convention goods through our official freight forwarders.

ENVIRONMENTALLY FRIENDLY PRACTICES

BNDCC not only features beautiful 'Green' surroundings with natural light and maximized ventilation, but has also established strategies for controlling air quality. This includes prohibiting smoking in all building area which has resulted in enhanced air quality at our venue.

We take pride in our commitment to incorporate sustainable practices in all our business operations. Our environmentally friendly practices include:

- Impressive 45,000 sq.m greenery landscape with diversity of tropical species plants
- Sewage Treatment Plant
- Graywater used to water plants
- Garden waste turns into compost
- Reverse Osmosis water treatment system
- Temporary storage of hazardous and toxic substances
- A double skin facade for enhanced passive cooling
- LED lighting system
- Strategic layout that incorporates natural lighting into the building
- Use of fresh, local and seasonal ingredients in our kitchen production which results in less energy consumption for transport of food products
- Food are served on chinaware with cutlery and linen to reduce the use of disposables
- Remaining food donated to the local foundations
- Promoting the usage of water dispenser or pitcher
- Use of glass bottle mineral water

As sustainability is an on-going process of continuous improvement, the Bali Nusa Dua Convention Center looks forward to working with our clients to maximize sustainable business events.
