- Charlotte Wardell, **BuilderStorm**

'Having the opportunity to engage with such a diverse range of stakeholders was so energising and we are super grateful to have had the opportunity to get involved. Congrats on pulling off my favourite industry/trade show so far – we hope to see you there again next year!'

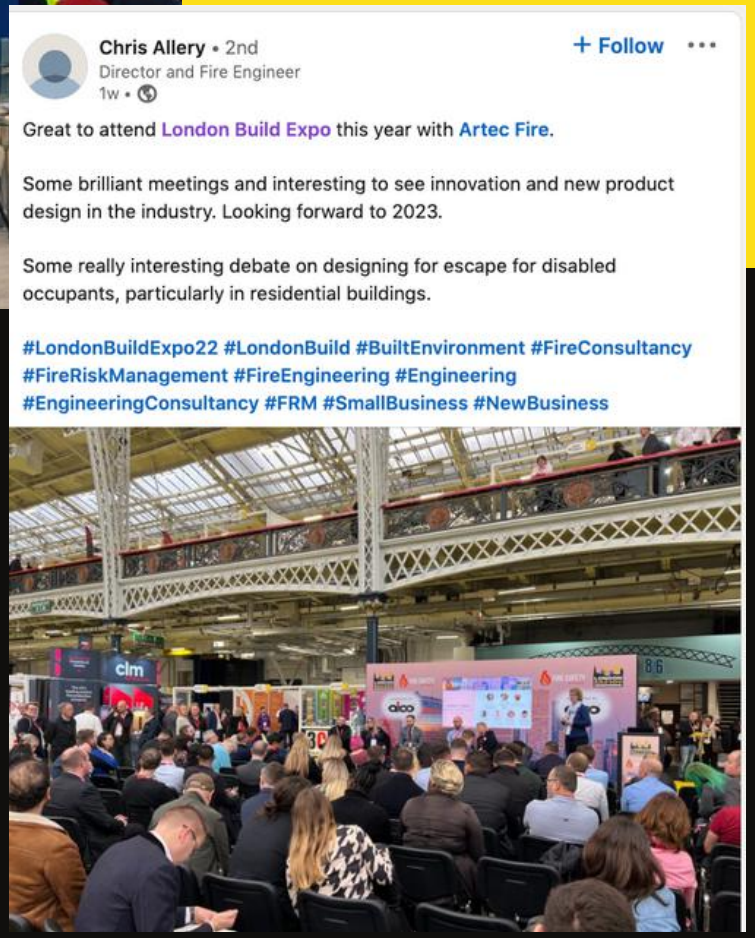
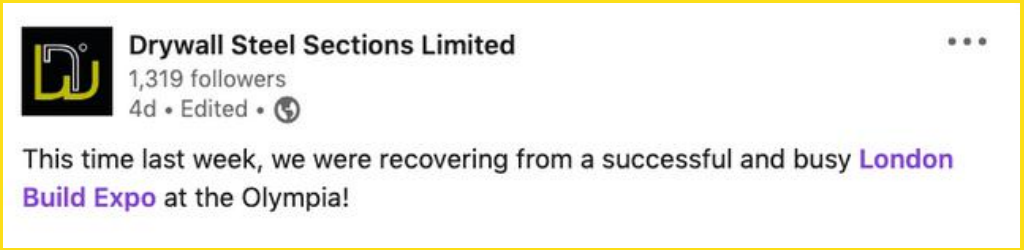
"Great leads, great atmosphere!"

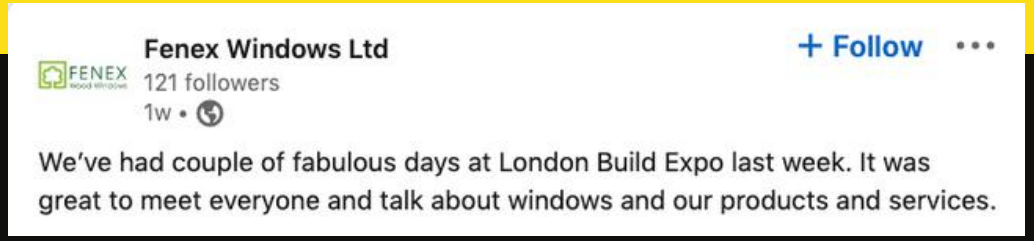
- Boyd Goulden, **CertOn (Europa)**





"We received a lot of visitors to our stand and made a number of useful contacts, those who visited us and those that we visited."

- Sarah Dexter - **MPG Quantity Surveyors Ltd**



"Fonn attended a large number of trade shows in 2021 and 2022, London Build was the best performing show in both years by a considerable margin – Paul Cooper and the team at Oliver Kinross do a stellar job of hosting the event over two days and ensure that we get to see the best people in the construction space. These events provide Fonn a considerable ROI and will remain our 'must do' event for the foreseeable future".

- David Lawrence, VP of Construction, **Fonn**
