

## MAKE YOUR STAND A CROWD MAGNET!

Create a buzz and draw huge crowds to your stand. Give visitors something to talk about on social media about your company.

We do not take any commission on any entertainment you purchase. If you bring entertainment to London Build, we will do free social media posts about your company to promote you to 100,000+ followers.

London Build has partnered with a range of stand entertainment suppliers who are giving all 2022 exhibitors preferential rates for any entertainment booked at stands over the two days of the show.
