MARCH 8 - 9

JAVITS CENTER

SHOW FEATURES:

GOVERNMENT HUB

The show will feature the Government Hub, allowing suppliers and consultants to connect with Government agencies to learn how they can get involved in upcoming construction projects.

ARCHITECTS HUB

Check out the Architects Hub for your chance to see the most innovative upcoming designs set to transform the New York skyline. Previously confirmed architecture firms include: **AECOM, HOK, HNTB, Structure Tone, Magnusson Architecture and Planning PC** and more!

FESTIVAL OF CONSTRUCTION

More than just another tradeshow, New York Build is a true Festival of Construction. From live music, entertainment and food and drink, to competitions, giveaways and special guests.

New York Build promises to be a fantastic day away from the office: the perfect chance for the AEC and real estate industry to connect.

ATTEND THE LARGEST CONSTRUCTION, DESIGN & REAL ESTATE SHOW IN THE TRI-STATE AREA

New York Build 2023 (March 8-9, Javits Center) is taking place in under 2 months! Attend the largest construction, design and real estate show in the Tri-State area.

Join 25,000+ pre-registered attendees across 2 eventful days to network, learn and win business like nowhere else. You can expect even more cutting-edge panel discussions, workshops, exhibitors and exclusive networking events in collaboration with key industry partners, than ever before!

Get up to date with the latest trends, developments and procurement opportunities across the built environment within the Tri-State area.

Check Out the 12 Conference Tracks and AIA CES Workshops Including: Future Construction, Government Policy, Architecture, BIM & Digital Construction, Sustainability, Facilities Management, Real Estate, Marketing in Construction and Building Solutions and Materials.

Hear From 350+ Expert Speakers Confirmed:

- Mitch Green, First Vice President - **AECOM Tishman**
- Sevinc Yuksel, Vice President - **Related Companies**
- Thomas Kyd, Director of Operations - Buildings & Facilities - **STV**
- Claudia Flores Reich, Senior Vice President & Director - **New York City Economic Development Corporation**
- Zachary Redding, Managing Director - **Colliers**
- Adam Fisher, Vice President, Sustainability - **JLL**
- Stacey Dackson-Weir, Vice President, Operations - **Structure Tone**
- Tiffany Liem, Director of Design - **Brookfield Properties**
