When Environmental Issues Appear  
The Two Best Words to Hear Are:

# PROBLEM SOLVED.

### Accurate Results, Fast.

When you need an environmental assessment, one team can provide a clear report in as little as 24-48 hours: RTK Environmental Group!

### Unbiased Testing, Every Time.

RTK does not perform remediation or abatement, so there's never a conflict-of-interest when working with us. And, you'll be in compliance with strict testing, remediation, and abatement laws.

### Licensed, Insured, Certified.

RTK Inspectors receive ongoing classroom and technology training, and are licensed and insured.

### Experience the RTK Difference:

- Minimal disruption
- Non-invasive testing
- Regularly work with discerning clients
- Fast, accurate, unbiased!

### We test for:

- Mold
- Asbestos
- Lead
- Soot
- VOCs
- Soil/Water
