

Chicago Build Kicks Off Next Week - Doors Open at 9:30am Wednesday & Thursday (October 29 & 30, McCormick Place)

The wait is almost over! Next week, the Midwest's largest construction and design show returns to McCormick Place, uniting thousands of industry leaders, innovators, and trailblazers under one roof.

Doors open at 9:30am on Wednesday October 29 and Thursday October 30. Print your badge beforehand to gain fast-track entry.

Expect cutting-edge technology, game-changing insights, and unmatched networking opportunities. Whether you're an architect, engineer, contractor, designer, or supplier, this is the event that sets the pace for what's next in construction and design.

Here's a glimpse of what's in store:

- 400+ trailblazing speakers across 13 conference tracks & AIA CES workshops
- Unmissable networking events hosted with some of the biggest names in the industry
- A show floor packed with top exhibitors showcasing the latest products and innovations
- A Festival of Construction - live music, DJs, competitions, and entertainment like you've never seen before
- Insider access to leading contractors, architects, civil engineers, developers, and real estate giants
- And countless more highlights designed to elevate your business and your career
