

New York's Largest Construction & Design Show Returns!

Are you ready for New York's largest construction and design show of the year?

New York Build is back at the Javits Center on Feb 13-14, bigger than ever before! Join us for an unmissable two days of incredible content, entertainment and networking, including the USA's largest networking event for Women in construction!

Gain access to 500+ incredible speakers across 15 conference tracks, AIA CES workshops, 400+ exhibitors, live demos, Government Hub, Architect's Hub, entertainment, DJs, networking parties, live music and much more!

Join the community and network with thousands of contractors, architects, developers, realtors, civil engineers, government, suppliers and construction professionals.

Here's a glimpse of all the exciting new features:

- **More Entertainment & Networking Parties:** The biggest Festival of Construction puts on show-stopping entertainment, live music, DJs, and electrifying networking parties to provide you with an unforgettable experience.
- **Dedicated Facilities Management Stage:** The brand new Facilities Management Stage will provide a spotlight on the critical role of facilities management in the construction and design industry.
- **An entire stage for Architecture & Design:** This specialized stage will feature cutting-edge panel discussions and innovative designs shaping the design industry, led by top architects at Stantec, Perkins Eastman, Arup, HDR, Burns & McDonnell, STV, HNTB and many more.
- **Brand new Fire Safety & Security Track:** The launch of the new Fire Safety & Security Track will explore safety standards within the AEC industry. Attendees can expect in-depth discussions and case studies that delve into the latest regulations and best practices shaping safety standards in the built environment.
- **500+ Speakers:** The show brings together 500+ industry-leading speakers through thought-provoking discussions, creating a diverse and comprehensive program across two unmissable days.
- **33% Bigger Hall:** Are you ready to grow your connections? Step into an even larger platform for networking and collaboration! The expanded hall means even more opportunities to network, learn and innovate.

- **400+ Exhibitors:** Immerse yourself in the latest products, innovations and projects across the industry.
- **Government Hub doubles in size:** Learn of the latest contract opportunities with the New York City Department of Parks and Recreation, NYCHA - Asset and Capital Management, and many more government agencies.
- **New York Food & Drinks Trail:** Who can resist free samples? Pop along the delicious gourmet trail for samples from local restaurants and vendors.

New York Build is the ultimate platform for professionals in the AEC industries to connect with a larger community, exchange ideas, and drive innovation in the Tri-State.
