

## The Highly Anticipated Construction and Design Show of The Year Returns!

Are you ready for the most highly anticipated construction and design show of the year?

New York Build (Feb 13-14) returns to the Javits Center and is bigger and better than ever with a 33% bigger hall! With a range of thrilling new features for 2024 and the USA's largest networking event for Women in Construction, New York's biggest Festival of Construction is set to be a game-changer in construction and design.

New York Build is the ultimate platform for construction professionals, government officials, architects, engineers, contractors, and anyone passionate about construction and design to connect, network and drive innovation in the Midwest.

Here are just eight reasons why you can't afford to miss out on New York Build 2024:

### **More entertainment and networking parties**

New York's biggest Festival of Construction will feature even more networking parties, entertainment and interactive experiences than ever before. The New York Build networking hub agenda is jam-packed with exclusive networking parties co-hosted by leading industry bodies. From Speed Networking to America's largest annual networking event for Women in Construction, don't miss out on your chance to grow your professional network and connect with like-minded people.

But that's not all! The USA's biggest Festival of Construction is packed full of fun, entertainment, and incredible giveaways. Live music performances, buskers, entertainers, and some exclusive surprises and giveaways will make your trip one to remember. Where else can you relax with a refreshing drink, groove to the beats of our DJ, and network with fellow construction industry professionals all under one roof? If you're in the mood for some interactive fun, don't miss our indoor golf and baseball games, live mural painting, Mini Escape Room and more!

### **BRAND NEW FOR 2024 - Facilities Management Stage**
