New York Build features 400+ exhibitors, 500+ industry leaders speaking across 15 conference tracks (including 3 brand new stages/track - Facilities Management, Architecture & Design and Fire Safety & Security), the Architect's Hub and the Government Hub, where you can meet procurement teams, buyers and decision-makers from leading Government Agencies.

Take part in the USA's largest networking event for Women in Construction, where you can connect with and feel inspired by New York Build ambassadors from all across the AEC industry. Held in partnership with our industry partners, this event is free-to-attend and gives you the opportunity to network with other like-minded women, from students and graduates to VP's and CEOs! This is just one of the many exclusive networking events co-hosted with leading industry bodies, that include NAWIC, NABWIC, Professional Women in Construction New York, Female Design Council, plus more!

New York Build is proud to once again be working with our large team of inspiring Diversity and Women in Construction Ambassadors. Don't miss out on your opportunity to meet and network with inspiring individuals from across New York as you celebrate the successes and discuss the challenges facing female AEC professionals.

But that's not all! The biggest Festival of Construction is packed full of fun, entertainment, and incredible giveaways. From live music performances and buskers to exclusive surprises and giveaways, New York Build will be an expo to remember. Where else can you relax with a refreshing drink, groove to the beats of our DJ, and network with fellow construction industry professionals all under one roof?
