DAY ONE 29 APRIL

- 9:30** Opening Address from The Hon. Anoulack Chanthivong MP
- 9:45** Keynote Address from James Sherrard - NSW Building Commissioner
- 10:00** Construction 2030: Shaping the Future of Australia's Built Environment
- 11:00** Bringing the Industry Together: How We Rise to the Current Challenges and Build a Thriving Built Environment
- 12:00** Building Australia's Future Together: Government and Industry Collaboration
- 13:00** Sydney Fish Market: Redefining Waterfront Development

DAY ONE 29 APRIL

- 14:00** Want to Develop Property? NSW Planning Reforms Might Be the Answer
- 15:00** Affordable Housing in NSW: Turning Strategy into Homes
- 16:00** Building Community Foundations: Housing That Brings People Together

SPONSORED BY 

DAY ONE 29 APRIL

- 10:00** Four Stories of Sustainability from NSW Construction Industry
- 11:00** What is the Construction Industry's Role in Shaping a Sustainable Planet?
- 12:00** Setting the Foundations for Regenerative Precincts and the Power of Early Engagement
- 13:00** Carbon Neutral Construction: Pathways to Zero Emissions in Building
- 14:00** How Can We Revitalise Public Spaces to Build Social Value in Cities?
- 15:00** Unlocking Sydney's Adaptive Reuse Potential
- 16:00** The Circular Blueprint: Rethinking Resources in Construction

SPONSORED BY 

DAY ONE 29 APRIL

- 10:00** Can Architects Lead the Way in Sustainability?
- 11:00** Harnessing Emotion in Design: The Psychology Behind Our Spaces
- 12:00** Work, Live, and Play – The Rise of Flexible Mixed-Use Spaces
- 13:00** Minimalism vs. Maximalism: Finding Balance in Interior Design
- 14:00** Designing Smarter With Passivhaus Standard
- 15:00** What Does the Future Hold for High-Rise Design?
- 16:00** Designing with All Disciplines: The Importance of Collaboration in Architecture

SPONSORED BY 

DAY ONE 29 APRIL

- 9:45** KEYNOTE: Connecting the Dots: Thriving in a Construction Industry Where Technology Moves 100x Faster
- 10:00** The Future of Construction: Technology Trends Shaping the Industry in the Next Decade
- 11:00** The Three Horizons of Construction AI: From Site Survival to Predictive Performance
- 12:00** Panel with CIOB
- 13:00** Building with Data – How Analytics is Shaping the Future of Construction
- 14:00** What's Next for BIM? Emerging Trends Shaping the Industry
- 15:00** AI in Architectural Design: Transforming Creativity and Efficiency
- 16:00** Navigating the Challenges of Digital Transformation in Construction

SPONSORED BY 

DAY ONE 29 APRIL

- 10:00** Unlocking True Potential in Construction Through Diversity
- 11:00** Redefining Leadership: Women Leading the Way in Australia's Built Environment
- 12:00** Diversity Matters: Your Story, Your Impact
- 13:00** What Does the Future Hold for Construction? A Gen-Z Perspective
- 14:00** Beyond Representation: Embedding Gender Equity in the Built Environment
- 15:00** How Can We Create Truly Inclusive and Accessible Environments?
- 16:00** The Importance of Allyship: Supporting Colleagues from Diverse Backgrounds

SPONSORED BY 

DAY ONE 29 APRIL

- 10:00** Offsite Construction: Smarter, Faster, and More Efficient?
- 11:00** Modern Construction Trends in Data Centres
- 12:00** Can Modular Construction Save the Planet?
- 13:00** The Future of Prefabrication: Redefining Speed and Quality in Construction

DAY ONE 29 APRIL

- 14:00** The Future of Construction Materials: Innovations for a Sustainable Future
- 15:00** Sustainable Material Selection
- 16:00** Panel with Australian Passivhaus Association

DAY TWO 30 APRIL

- 9:45** Opening Address from The Hon. Rose Jackson MLC
- 10:00** Blueprint for Success: Meeting Australia's Housing Needs
- 11:00** CIOB Panel Discussion: Tackling the Housing Crisis: Delivering Practical Solutions Through Planning, Policy and Finance
- 12:00** Tomorrow's Homes Today: Resilient Design for a Changing Climate
- 13:00** The Future Outlook for Housing in New South Wales and Australia

DAY TWO 30 APRIL

- 14:00** Beyond the Systems: Building Australia's Digital Infrastructure through Unified Technology Leadership
- 15:00** KEYNOTE: Bradfield City: Built for What's Next
- 15:00** Speed, Scale, and Certainty: Powering the Aerotropolis
- 16:00** Future-Proofing NSW's Infrastructure: Strategies for Long-Term Resilience

DAY TWO 30 APRIL

- 10:00** Building Toward Zero: Achieving Carbon Neutrality in Construction
- 11:00** Embodied Carbon and Circularity in Fit Outs
- 12:00** The Biggest Challenges & Solutions in Embodied Carbon in Construction
- 13:00** Retrofit VS Rebuild - the Answer to a More Sustainable Future
- 14:00** Principles and Practices in Urban Planning for Sustainable Cities
- 15:00** Resilient Sydney: Preparing for Climate Change and Disasters
- 16:00** Transforming Australia's Built Environment with Adaptive Reuse

DAY TWO 30 APRIL

- 10:00** Designing with Nature in Mind: The Biophilic Approach
- 11:00** Workplace Design as a Catalyst for Collaboration and Productivity
- 12:00**
- 13:00** Luxury Redefined: Modern Trends in Hospitality Design
- 14:00** Design Documentation that Delivers: Strategies for Accuracy, Consistency, and Impact
- 15:00** Rethinking Cities: Designing Places for Work, Live & Play
- 16:00** What Does It Mean to Design with Country? Embracing Indigenous Principles in Design

DAY TWO 30 APRIL

- 10:00** Smart Sydney – How Technology is Transforming the Cityscape
- 11:00** Revolutionising the Build: How Digital Technologies Are Transforming Construction
- 12:00** Digital Twins: The Future of City Planning and Construction
- 13:00** Enhancing Collaboration with AI-Driven Insights
- 14:00** Diversifying Your Career: Actionable Steps Toward a Future in Digital Construction
- 15:00** AI in Construction: Empowering Workers or Replacing Them?
- 16:00** Building the Backbone of Digital Economy: The Data Centre Boom in Australia

DAY TWO 30 APRIL

- 10:00** The Role of Leadership in Promoting Diversity and Inclusion
- 11:00** My Story: Navigating a Male-Dominated Industry
- 12:00** Reimagining Safety: Addressing Sexual Harassment and Gender-Based Violence
- 13:00** Presentation from Master Builder Australia - Level The Site Programme
- 13:30** KEYNOTE: Building the Invisible: Why Workforce Census Data Matters for Inclusion
- 14:00** How Can the Construction Industry Drive Indigenous Collaboration?
- 15:00** Creating Inclusive Work Environments: Best Practices for Supporting Diversity

DAY TWO 30 APRIL

- 10:00** What's Next in Construction Materials?
- 11:00** WORKSHOP with Society of Fire Safety, Engineers Australia - Sustainable Construction Materials
- 12:00** Panel with BDAA

DAY TWO 30 APRIL

- 13:00** Realising MMC: Moving Beyond the Hype
- 14:00** Opportunities and Challenges in Modern Methods of Construction
- 15:00** Utilising Technology in MMC to Build Smarter

SPONSORED BY  

**DAY ONE 29 APRIL**

- 10:00** Recruiting, Training, and Retaining the Leaders of Tomorrow
- 11:00** From Mentor to Mentee: The Transformative Impact of Mentorship
- 12:00** Future-Ready Construction: Adapting to New Technologies and Methods
- 13:00** Uncovering Workforce Exploitation in Construction

**DAY ONE 29 APRIL**

- 14:00** Social Media in Construction: Leveraging Platforms for Growth
- 15:00** WORKSHOP: Construct Your LinkedIn Success: A Mini Masterclass for Building & Design Professionals
- 16:00** WORKSHOP: What Makes a Good Leader? Leadership Skills for Emerging Construction Professionals

**DAY ONE 29 APRIL**

- 10:00** Making Mental Health in Construction Everyone's Issue
- 11:00** Hard Hats, Healthy Workplaces: Prioritising Employee Wellbeing
- 12:00** Breaking the Silence on Men's Mental Health
- 13:00** WORKSHOP: Building Resilience, Exploring Healthy Masculinity and Increasing Retention in the Workplace with TOP BLOKES

**DAY ONE 29 APRIL**

- 14:00** Safety Starts with People: Engaging Workers in Health and Safety
- 15:00** Panel with Carpentry Australia
- 16:00** Leveraging Technology for Enhanced Safety in Construction

**DAY ONE 29 APRIL**

- 10:00** International Collaboration in Construction: Building Partnerships for Success
- 11:00** Vietnam as a Strategic Manufacturing and Supply-Chain Partner for Australia's Modular, Prefabricated, and MMC Sector
- 12:00** KEYNOTE: Building and Construction Industry Outlook to 2030
- 13:00** What's Driving Change: Global Trends in Infrastructure Development?
- 14:00** Global Approaches to Sustainable Construction
- 15:00** International Trade Routes Under Pressure: What It Means for the Construction Supply Chain

**DAY ONE 29 APRIL**

- 10:00** Designing the Future: Delivering Sustainable Grid Connection Infrastructure
- 11:00** Decarbonising Construction: The Pathway to Impact
- 12:00** Sustainable Timber in Construction
- 14:00** Upfront Carbon: The Only Game in Town
- 15:00** Green Roofs and Living Walls: Designing Sustainable Urban Ecosystems

**Solar and Batteries for New Builds: The 2026 Breakfast Briefing**

 April 29th (Wed) 10:00 - 11:20

**AEC Mixer**

 April 29th (Wed) 11:30 - 12:20

**Tradies Exchange**

 April 29th (Wed) 12:30 - 13:20

 

**Digital Construction Exchange**

 April 29th (Wed) 13:30 - 14:20

  

**Driving Professional Excellence: The CIOB Chartership Advantage**

 April 29th (Wed) 14:30 - 15:20

**Housing Industry Association Hangout**

 April 29th (Wed) 15:30 - 17:00

**Architecture Social**

 April 30th (Thurs) 10:00 - 10:50

**Sustainability Professionals Forum**

 April 30th (Thurs) 11:00 - 11:50

 

**Building Future Leaders**

 April 30th (Thurs) 12:00 - 12:50

**Hubexo Network: Construction Industry Social**

 April 30th (Thurs) 13:00 - 14:20

**The Annual Diversity in Construction Networking Event**

 April 30th (Thurs) 14:30 - 15:20

**Australia's Largest Networking Event for Women in Construction**

 April 30th (Thurs) 15:30 - 17:00

**DAY TWO 30 APRIL**

- 10:00** The Ultimate Construction Marketing Guide
- 11:00** WORKSHOP: Digital Marketing Essentials: Building Your Online Presence
- 12:00** WORKSHOP: Strategic Marketing Essentials: Building an Online Presence That Wins Trust and Business
- 13:00** WORKSHOP: Career Connections in the Digital Age: From Online Presence to Real Opportunity

**DAY TWO 30 APRIL**

- 14:00** Blueprint for Progress: Training Programs for Tomorrow's Construction Workforce
- 15:00** Future-Ready Skills: Equipping the Next Generation of Construction Workers For Success

**DAY TWO 30 APRIL**

- 10:00** Why Leadership is Essential to Health & Safety Success
- 11:00** WORKSHOP with SafeWork NSW
- 12:00** Safety First: Training for a Safer Construction Environment
- 13:00** Keynote Address: Workplace Health and Safety Reform in NSW from The Hon. Sophie Cotsis MP

**DAY TWO 30 APRIL**

- 14:00** Mental Health in the Construction Industry: What Needs To Change?
- 15:00** Leadership's Role in Mental Wellbeing: Cultivating a Supportive Workplace Culture

**DAY TWO 30 APRIL**

- 10:00** Construction Disputes: Resolving Conflicts and Protecting Interests
- 11:00** Global Perspectives: An International Q&A with Government Leaders
- 12:00** Navigating International Markets: Strategies for International Growth
- 13:00** Keynote Address from Her Excellency Ms. Doris Brese Ghana's High Commissioner to Australia
- 14:00** WORKSHOP: From Disruption to Readiness: Applying AI to Defence & Industrial Logistics
- 15:00** Panel with the Indonesian Consulate

**DAY TWO 29 APRIL**

- 10:00** WORKSHOP with Michael Mossman & Ebony Syron
- 11:00** The Essentials of Urban Design: Planning Vibrant Communities
- 12:00** Making Space Matter: The Art of Interior Design
- 13:00** Strategic Design: Merging Aesthetics with Enhanced Outcomes
- 14:00** SD-moji: Designing Visual Languages for Sustainable Housing and Cities
- 15:00** A Wellness Approach to Interior Design
- 16:00** Cultural Influences in Architecture: Designing with Context

**DAY TWO 30 APRIL**

- 10:00** Total Design Approach to Infrastructure Engineering
- 11:00** AI & Robotics - What Can We Expect in the Future
- 12:00** The Cities AI Can't Design
- 13:00** Systemise the Site: How Builders Use SOPs to Scale Without Stress
- 15:00** AI, Innovation, and the Future of the Construction Industry

**DAY TWO 30 APRIL**

- 11:00** Steel: Circular Solutions for a Sustainable Future
- 12:00** How to Design Homes for the Future: Lessons from a Hemp Housing Case Study
- 13:00** Workshop with Carpentry Australia
- 14:00** Workshop with Australian Passivhaus Association
- 15:00** From Product Claims to Project Outcomes: A Specifier's Guide to Trusted Sustainable Materials
