AND INTEGRATED HEALTH

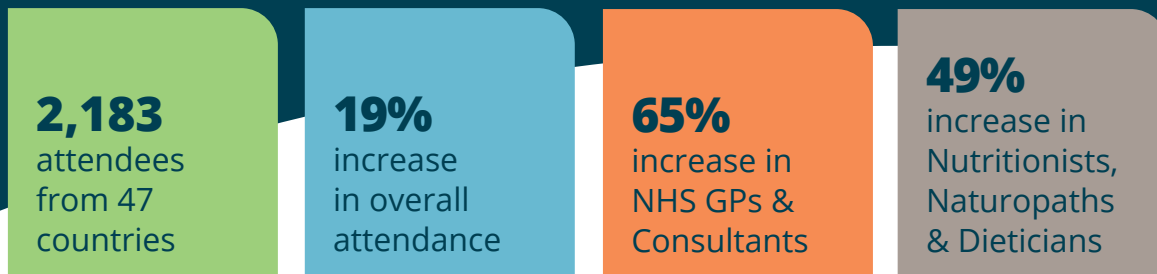

The vision

A multi-disciplinary event that showcases the benefits of a whole person patient-centred approach to healthcare.

This one event brings together GPs, Doctors, Consultants, Nutritionists, Naturopaths, Herbalists, Health Coaches, Mental Health Professionals and Complementary Therapists under one roof to promote a range of approaches that provide the patient with the best possible outcomes.

Growing year on year...

The scope of the event:

-  Nutritional Therapy/Naturopathy
-  Lifestyle Medicine
-  Complementary Medicine
-  Conventional Medicine
-  Integrative Medicine
-  Functional Medicine
-  Environmental Medicine
-  Education/Research

Who attended in 2024:

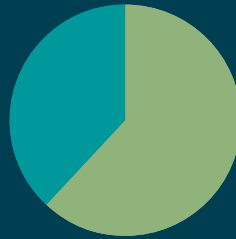

- 29%** Nutritionist, Naturopaths & Dieticians
- 24%** GPs, NHS Consultants, Pharmacists, Nurses & Medical Doctors, Dentists
- 14%** Herbalists & Complementary Therapists including Acupuncturists, Homeopaths, Massage Therapists, EFT Specialists, Osteopaths, Chiropractors, Hypnotherapists, Yoga Therapists & Exercise Professionals
- 7%** Health Coaches
- 5%** Scientists, Researchers & Academics
- 21%** Other, including Psychiatrists, Psychologists, Mental Health Experts, Directors, Sales & Marketing

Expect to be busy all day!

The majority of the attendees attend IPM with a focus on the **Exhibition and the associated Workshops**. This means that you can expect a constant flow of traffic throughout the whole day and not just limited to conference coffee and lunch breaks.
