Battery Tech Expo UK

incorporating Battery Recycling Expo

Engineering the Future of Battery Technology

5th May 2027 | The Wing, Silverstone

Battery Tech Expo

The UK's leading battery technology event

Battery Tech Expo UK connects the organisations solving the practical challenges of **battery performance, testing, thermal management, diagnostics** and **system engineering.** Meet the specialists, explore emerging technologies and discuss how the industry can improve real-world performance and competitiveness, bringing everyone together for one great day.

1,500+

Attendees

Now in it's 9th year, attendance has continued to grow and includes industry professionals across the battery supply chain.

60+

Exhibiting companies

Over 60 exhibiting companies including Battery Cell Manufacturers, Module and Pack Manufacturers, Equipment Suppliers, Active Material Suppliers, Recycling Companies, Battery Test Centres and Engineering Services.

30+

Expert industry speakers

Our seminar programme features two dedicated seminar theatres, providing the latest insights into battery performance, testing, thermal management, diagnostics and system engineering, with expert perspectives from specialists across research, manufacturing, engineering and real-world applications.

31,000+

Reach

Battery Tech Insider

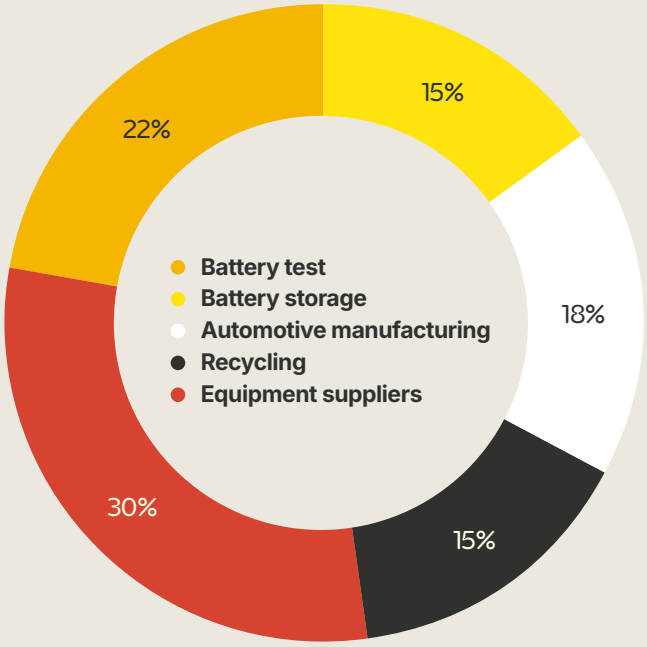

News and insight from the battery tech sector

Benefit from additional promotional exposure through Battery Tech Insider, our dedicated online news platform supporting Battery Tech Expo, delivering industry news, technical developments and market insights to an audience of over 31,000 battery industry professionals and decision-makers every fortnight.

Battery Tech Expo

Industry representation

Battery Tech Expo UK attracts 1,500 attendees from across the battery supply chain, including buyers, senior decision-makers and project managers, offering exhibitors valuable opportunities to connect with potential customers and generate new business.

Buyers with purchasing power

Project driven buyers

High level prospects

Project leads & managers

Just some of the leading companies from across the industry that visited the show in 2026:

- Jaguar Land Rover
- Nissan
- Agratas
- UK Battery Industrialisation Centre
- Horiba Mira
- Rockwell Automation
- Ford
- Aston Martin
- Mahle Powertrain
- JCB Research
- Caterpillar
- Thermo Fisher
- Faraday Institution
- Volkclec
- Dyson
- Advanced Propulsion Centre
- ABB
- Imperial College London
- University of Warwick, WMG
- Air Liquide
- Mercedes AMG High Performance Powertrains
- Dassault Systemes
- Siemens Energy
- Gemini Rail Group
- Scitech Engineering Ltd
- TR Fastenings
- Philips Electronics
- Ford
- KERA SYSTEM
- Applied Thermal Control
- Norton Motorcycles
- Amphenol Sincere
- Vertical Aerospace
- Severn Trent
- TB Electrics - Energy Solutions
- Cranfield University
- Kiwi Power Ltd
- Shield Batteries Group
- DRY CELL
- LG Chem Europe
- HARTING UK
- NeoGraf Solutions
- Nexeon Limited
- Traction Recycling
- Lunaz Ltd
- GE Aviation
- HORIBA UK
- SPAL Automotive UK Ltd
- JB Energytech Ltd
- Williams Advanced Engineering Limited
- Rockwell Automation
- bp pulse

Battery Tech Expo

The venue: **Silverstone**

Battery Tech Expo UK takes place at Silverstone Circuit, an internationally recognised centre for motorsport, advanced engineering and innovation. Located in the heart of the UK's Motorsport Valley, the venue provides an ideal setting for connecting battery technology specialists, manufacturers and supply chain professionals.

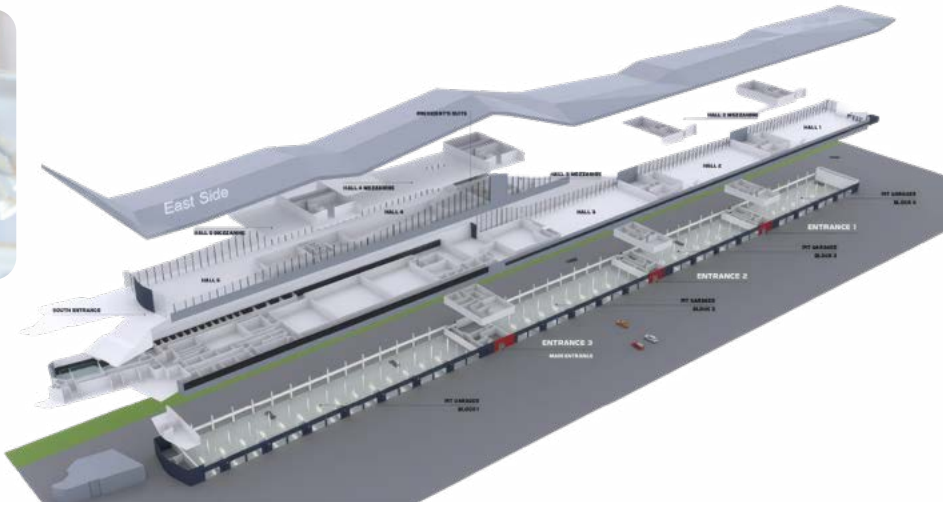

Battery Tech Expo

Exhibiting opportunities

Battery Tech Expo UK offers flexible exhibiting opportunities to showcase your products, technologies and expertise. With shell scheme and space-only options available, exhibitors can connect with key decision-makers, build valuable industry relationships and generate new business across the battery technology supply chain.

The perfect cost-effective solution for exhibiting partners requiring a turn-key option and a range of easy to order, add-on accessories.

Shell scheme

Includes:

- Shell scheme
  (single 3 × 3m or double 6 × 3m)
- Name board
- Web exhibitor directory 100-word listing
- Event Guide 100-word listing

Extra items available to order:
Power, spotlights, furniture, TVs, graphic panels

3 x 3m – **£2,650** + VAT
6 x 3m – **£4,950** + VAT

Space only stands

Please indicate on the booking form if you require space only / will be building your own stand structure

Battery Tech Expo

Partnership

Battery Tech Expo UK offers a range of partnership opportunities designed to maximise brand visibility and engagement. With Platinum and Gold packages combining exhibition space, promotional coverage and event branding, partners can strengthen their industry profile, reach key decision-makers and gain valuable exposure before and during the event.

Platinum

- 6m x 3m Shell scheme space*
- Event Guide listing
- Solus eshot to attendee data
- Full page advert in printed Event Guide
- Branding on all event screens and materials
- Headline coverage in two Battery Tech Insider e-newsletters

* upgrades available

£7,995 + VAT

Gold

- 6m x 3m Shell scheme space*
- Event Guide listing
- Half page advert in printed Event Guide
- Branding on all event screens and materials
- Headline coverage in one Battery Tech Insider e-newsletters

* upgrades available

£6,995 + VAT

Battery Tech Expo

Sponsorship

Put your brand in the spotlight with targeted sponsorship opportunities across **Battery Tech Expo UK**. From seminar theatres and delegate lanyards to networking areas and event materials, our sponsorship options provide prominent brand placement, helping your business stand out and make a lasting impression on attendees throughout the event.

Seminar Stage Sponsor

£2,950 + VAT

30+ High calibre, industry speakers, presenting throughout the event from a high profile stage
