# Take a **fresh** look at the UK concrete industry

Join us at the NEC Birmingham from 20 - 21 March 2024 for the only standalone exhibition dedicated to the UK concrete industry!

Serving the concrete industry for 14 years, *The UK Concrete Show* is the annual meeting place for the trade to see new products in person, network, and keep up-to-date with all the latest developments in the sector.

From volumetric trucks, batching plant, and pumps to formwork, admixtures and low-carbon concrete, the exhibition is guaranteed to provide something new that your business will profit from for years to come.

**Source** from over 200 of the industry's leading product and equipment manufacturers, suppliers and service providers.

**Discover** the latest technology to improve your business's productivity, and keep ahead of the competition, at the Innovation Hub. Vote for your favourite at the show!

**Network** with professionals and key decision-makers from the concrete industry.

**Join** the debate on the future of the sector with seminar sessions covering the latest trends, best practice, and innovations driving change.

**Celebrate** outstanding achievements from the last 12 months at The Concrete Society Awards Gallery.

# Concrete Connect

Seminar Theatre

## Join the debate!

The UK Concrete Show is committed to providing a seminar experience to enrich and engage the visitor.

The **Concrete Connect Seminar Theatre**, situated on the exhibition floor, will feature twenty free-to-attend seminars across both days.

Hosted by Susannah Streeter, a professional broadcaster and conference moderator, each session will conclude with a panel and live Q&A with the audience.

Visit [concreteshow.co.uk/seminars](http://concreteshow.co.uk/seminars)  
for the full seminar programme

## Wednesday 20th March

Morning Session  
**10:45 - 12:30**

### Meeting the challenge of net zero:

Navigating the future of sustainable concrete

Insights into low-carbon concrete, cutting-edge emission reduction strategies, the role of additives, and innovative production solutions. Illuminating the path toward the UK's ambitious goal of achieving net zero by 2050 (or earlier).

10:45 - 10:50

#### Introduction

Susannah Streeter, Host

10:50 - 11:05

#### Decarbonising the UK concrete industry: an update

Elaine Toogood, Director, Architecture and Sustainable Design, MPA - The Concrete Centre

11:05 - 11:25

#### Practical low carbon concrete construction in Europe's largest hospital project

Colin Dowds, Global Technical Manager, Imerys

11:25 - 11:40

#### A model linking compressive strength and porosity in ternary system: metakaolin, limestone, cement

Pascal Gonnon, Global Senior Manager for cement, mortar and concrete applications, Omya UK

11:40 - 11:55

#### Concrete2Concrete recycling: bringing low carbon and circular solutions to the concrete industry through technology transfer

John Twitchen, Director, Xeroc Ltd

11:55 - 12:15

#### Ecoshot low carbon shotcrete: preparing the sprayed concrete industry for the changes to CEMI production in the UK

Stuart Manning, Technical Director, Shotcrete Services

12:15 - 12:30

#### Panel discussion

Afternoon Session  
**13:00 - 14:20**

### Prevention or cure?

Exploring advantages in concrete construction

Dive into the specific nuances of prevention, cure, repair, remediation, waterproofing, and new build approaches in the UK's concrete construction sector.

13:00 - 13:05

#### Introduction

Susannah Streeter, Host

13:05 - 13:25

#### Prevention "and" cure: solutions for challenging environments

Damian Thomas, Commercial Development Manager, Infrastructure, Imerys

13:25 - 13:45

#### Self-healing concrete for underground construction

Dr Omar Hamza, Associate Professor in Civil Engineering, University of Derby

13:45 - 14:05

#### Where concrete repair and sustainability meet

Deiniol Williams, Area Sales Manager, South West, Fosroc, past President of The Concrete Society, and **Craig Hannam**, Market Sector Manager UK & ROI, Fosroc

14:05 - 14:20

#### Panel discussion

14:45 - 15:00

## All matters concrete

A guide to The Concrete Society, your route to independent advice, support on all matters concrete past, present and future.

Kathy Calverley MBE, Managing Director, The Concrete Society

15:15 - 15:30

Innovation spotlight

## Recent advances in graphene enhanced concrete

Dr Lisa Scullion, Applications Manager, Graphene Engineering Innovation Centre - The University of Manchester

# Thursday 21st March

Morning Session

11:00 - 12:30

## Celebrating innovation: Showcasing concrete technology

The groundbreaking ideas, projects, and technologies that are reshaping the concrete construction landscape in the UK. Discover success stories that highlight the creativity and progress within the field, and explore the sector-specific challenges and solutions.

11:00 - 11:05

### Introduction

Susannah Streeter, Host

11:05 - 11:15

### Innovation: driving a more sustainable concrete future

Ian Riley, CEO, World Cement Association

11:15 - 11:35

### Concrete evolution: unleashing digital tools for low carbon construction

Paul O'Hanlon, Global R&D Project Manager, Holcim

11:35 - 11:55

### Developing concrete products in a sustainable and cost-effective eco-system

Dr Andrew Smith, Head of Materials Development, Forterra PLC, and Associate Professor of Mineral Product Technology, University of Derby

11:55 - 12:15

### Seratech: transforming CO2 into sustainable cement

Sam Draper, CEO & Co-founder, Seratech

12:15 - 12:30

### Panel discussion

Afternoon Session

13:00 - 14:30

## Keeping the concrete industry safe

This session explores proactive approaches to fostering a safer working environment through leadership, training and fulfilling social responsibilities. It also explores the latest safety legislation affecting the sector.

13:00 - 13:05

### Introduction

Susannah Streeter, Host

13:05 - 13:25

### Addressing the "S" of ESG for concrete batch plants

James Bullock, CEO, ConSpare, and President, MHEA

13:25 - 13:40

### MP Connect delivering safer outcomes

James Thorne, Joint CEO IQ and MPQC

13:40 - 14:00

### Safety leadership is not just about health & safety

Mike Phillips F.I.Q., CEO, British Aggregates Association

14:00 - 14:15

### Concrete wash water: best practice

Jonathan Goldsmith, Principal Scientist, BlueRinse

14:15 - 14:30

### Panel discussion

# Celebrating excellence...

Be inspired by award-winning projects and the latest innovations shaping the sector.

## The Concrete Society Awards Gallery

Admire the award-winning projects at the Concrete Society Awards Gallery, submit your own entry for 2024.

## The UK Concrete Show Innovation Award

As voted for by visitors to the show, our Award aims to recognise the groundbreaking advancements in concrete technology and celebrate the ingenuity of companies pushing the boundaries of innovation, sustainability, and productivity.

## innovation hub

Showcasing the latest innovations from the sector.

Sign up to the **Concrete Connect** newsletter for all the Innovation Hub updates in the run up to the show.

# The Venue NEC Birmingham

The NEC, Birmingham is the UK's leading event space with over 40 years' experience hosting the UK's best shows.

Centrally located at the heart of the country, it's within 3 hours drive from 75% of the UK and offers accommodation, restaurants and much more.

**P** Parking provided courtesy of the Organisers

Keep up to date with all the latest show news at  
**concreteshow.co.uk**

## Air

Located in close proximity to Birmingham Airport, simply take the free and fast air-rail link to Birmingham International Railway Station located at the upper level of Terminal 1. The train runs every two minutes and only takes 90 seconds. When you arrive just head straight through to the NEC.

## Train

The NEC is located just a 5 minute walk away from Birmingham International Railway Station.

## Road

Located in the centre of the UK's motorway network. Near junction 6 of the M42. The exhibition centre boasts over 16,500 parking spaces, which means less time searching for a spot, and more time enjoying our show.

## Accommodation

There are over 8 nearby hotels to choose from, offering a variety of options and prices. From Moxie, The Genting, Novotel, Hilton Birmingham Metropole, Ibis, Premier Inn, Holiday Inn Express, Arden Hotel & Leisure Club to name but a few.

## Cycling

The best and safest way to get to us by your own steam is to use the shared cycle footpath route to Birmingham International Railway Station and then the NEC is a short walk from there, it should take you about 10 minutes.

## Open times

Show hours are

Wednesday 20th March 2024 –  
09:00 to 17:00

Thursday 21st March 2024 –  
09:00 to 16:00

## Information

Information on all aspects of the show is available from **[www.concreteshow.co.uk](http://www.concreteshow.co.uk)** and the organisers can be contacted at:
