

OUR PORTFOLIO

RBH supplies a comprehensive range of performance materials for plastics and thermoplastics, engineered to improve processing efficiency, optimise product properties, and extend service life. Our portfolio supports applications across automotive, packaging, civil engineering, consumer goods, and recycling, built on proven technologies and decades of formulation expertise.

CHEMICAL RESISTANCE

CONDUCTIVITY

FLEXIBILITY & IMPACT STRENGTH

IMPROVED ADHESION & PEEL STRENGTH

TOUGHENING

UV STABILITY

RHEOLOGY MODIFICATION & VISCOSITY CONTROL

OPACITY

WATER RESISTANCE

Lindau Chemicals, Inc.
A Specialty Organic Chemical Company

Key Products for Adhesives, Sealants & Construction

Attapulgite Rheology Modifiers

Flame Retardants

Polymer Emulsions

Calcined Magnesia

Adhesion Promoters

Barytes

Talc

Silane Terminated Polyether

Flame Retardants

UV / Light Stabilisers

Precipitated Calcium Carbonate

Antioxidants

Shielding Bricks and Sand

Peroxides

Saturated Polyester Resins

Epoxy Resins, Hardeners and Accelerators

OUR PORTFOLIO

SPECIALITY MODIFIERS

Anti-Flash Rust Inhibitors
Anhydrous Aluminium Silicates
Bismaleimide Resins
Borates
Calcium Oxide
Carbon Nanotubes
Modified Epoxy Resins
Epoxy Monomers
Flame Retardants
Fused & Calcined Alumina
Glass Beads
High Styrene Resins
Magnesium Oxides
Maize Starch
Maleic Anhydride
Nitrile Rubber Powder
Tackifiers
Vinyl Pyridine Latex
Expandable Graphite
Styrene-Butadiene Rubber
PVA

STABILISERS

Antioxidants
Light Stabilisers
UV Stabilisers

RHEOLOGY MODIFIERS

Organic Peroxide
Attapulgite

FUNCTIONAL MINERALS

Aluminium Hydroxide
Barium Sulphate
Flint
Kaolin
Mica
Perlite
Perlite Microspheres
Precipitated Calcium Carbonate
Pumice
Silica Flour
Slate Powder
Talc
Zeolite Clinoptilolite
Zircon
Zirconia & YTZ Media

PROCESSING AIDS

Antiozonant Waxes
Fatty Acids
Mould Release Agents
Peptisers
Stearates
Vulcanised Vegetable Oils

CROSS LINKERS

Curing Agents
Accelerators
Anhydride Hardeners
Phenolic Resins
Organic Peroxide
Zinc Oxide

BASE MATERIALS

Acrylic & Styrene Acrylic Resins
Epoxy Resins
Gilsonite
Nitrile Rubber Latex
Nitrile/ PVC Polyblends
Phenolic Resins
Plaster of Paris
Polyester Resins
Polyurethane Rubbers
Silicone Rubbers

PIGMENTS

Aluminium Pigments
Ebonite
Iron Oxides
Lithopone
Zinc Sulfide

MISCELLANEOUS

Barytes Bricks & Sand
Bullers Rings
Grinding Media
Mill Lining Blocks
Nylon Film
Wax
Activated Carbon

FILLERS

Calcium Carbonate
Dolomite
