

Hillhead 2026

The UK's largest
Quarrying, Construction
& Recycling Exhibition

23-25 June
Hillhead Quarry | Buxton
Derbyshire | UK

Register free at
hillhead.com

The UK's leading quarrying & construction equipment show returns with more than 600 exhibitors confirmed.

Taking place from 23-25 June, Hillhead will once again bring the quarrying, construction and recycling industry together. Showcasing a vast range, from large plant and machinery to auxiliary products and services.

We've got some exciting changes lined up, as the iconic quarry face demonstration area is transformed into a curated arena. Here, live shows will be enhanced with expert commentary, bringing demonstrations to life. Turn the page to find out more.

Staying connected at this year's show will also now be easier than ever. Following further significant investment in the site's Wi-Fi infrastructure, visitors can enjoy increased coverage with more free hotspots available throughout the showground. In addition, a temporary EE/BT mobile mast has been installed, delivering a strong and reliable service for users on these networks.

With over 600 exhibitors at Hillhead 2026, there's a lot to see! To help you make the most of your visit, we've launched a new AI-powered tool designed to quickly highlight the exhibitors and demonstrations most relevant to you and your business. Whether you're looking for specific equipment, exploring new technologies, or planning your route around the showground, the tool gives you a personalised agenda ensuring you see what matters most to you. Simply head to [Hillhead.com](https://hillhead.com) to start planning your visit.

We look forward to seeing you at Hillhead 2026.

Registration is free, order your entry badge online at hillhead.com

See live demonstrations like never before

New for 2026, we're introducing an exciting new way to watch the latest big kit in action...

At selected times throughout the day, leading manufacturers will showcase their machines as part of a dynamic live show. Enjoy expert commentary and live interviews — all streamed onto a giant screen set against the dramatic quarry face

Hillhead visitors will get to see exactly what the machines can do, while learning about the latest product updates and innovations directly from the experts — all happening live before your eyes.

Take in all the action at the Quarry Face Demonstration Area from **11:00, 12:30, and 14:00** daily. Confirmed participants already include **JCB, Hitachi, Liugong, Hyundai, Case, McHale Komatsu, Sany, Develon, XCMG, SBM** and **Corgin**. A final timetable will be available at Hillhead.com from late May.

As usual, Hillhead's four demonstration areas will once again be in action...
