R1234YF & R134A SERVICE MACHINES

5 REASONS THE DUA-LITE IS THE ULTIMATE WORKSHOP A/C STATION

- **PRODUCTIVE** – Work 2 jobs at a time with no contamination risk
- **PORTABLE** – Both of the R1234YF & R134A units can be removed for field work
- **PRACTICAL** – Automatic working cycle, plus handy 7.5m hoses for big vehicles
- **SMART** – Both units feature an agri database with the info you need
- **TIDY** – Stacked trolley design provides a complete A/C set-up in a small workshop footprint
