YOUR MACHINERY PARTS SPECIALISTS

ABOUT

PLANT PARTS

Established in 1991, Plant Parts has become one of the UK'S largest independent construction parts stockists, supplying quality components to machine owners, dealers and repairers in over 100 countries.

We know that time is money when it comes to your equipment, so when something goes wrong you need parts fast. With access to over two million parts, a fully stocked warehouse and a state-of-the-art repair workshop, we'll keep your downtime to a minimum with high quality parts you can trust.

From our engineers to our accounts team, we combine expert knowledge with excellent customer service and unparalleled quality. You'll get the parts you need quickly and efficiently with the peace of mind that they'll be right first time and built to last.

SUPPORTING MACHINE OPERATORS IN MULTIPLE INDUSTRIES INCLUDING;

Construction, Earthworks, Quarrying, Mining, Landscaping, Forestry, Rail, Demolition, Marine & Submarine, Waste Recycling, Material Handling, Wind Power.

State-of-the-art Workshop

FREE OF CHARGE* COLLECTION +
INSPECTION FOR WORKSHOP SERVICES

UK Mainland

-  FOC Collection + Inspection for workshop services
-  Final Drive Repair
-  Swing motor & swing box repairs
-  Hydraulic motors
-  All components tested prior to dispatch
-  Reconditioning old units when more innovative solutions are needed.

Our teardown and inspection services are included for free with repairs or overhauls of gearboxes and hydraulic motors. We are a specialist repair and reconditioning centre for final drives, swing drives and hydrostatic gearboxes.

With direct access to thousands of parts and detailed technical drawings, we precisely identify faults and find the exact parts to fix them, replacing only what is necessary and reconditioning parts wherever possible to ensure you get the most cost-effective repair.

Repair

- Final Drives
- Slew Motors & Slew Gearboxes
- Rail Motors- Rexroth & Poclain
- Hydraulic Motors (not Pumps)
- Wheel Motors
- FOC collection & Inspection for repairs going into our workshop for any manufacturer

Final Drives

Supply & Parts

Final drives are the driving force behind your machine, they're a big investment and you need that investment to last.

As suppliers and refurbishes of a whole range of genuine, OEM and FDC brand drives, we don't just supply final drives, we know them inside out. Our technicians configure systems to meet your exact requirements and price points, whether that's genuine or OEM parts or aftermarket solutions at OEM standards.

Options for over 150 brands of excavators and all other track laying equipment

For all machine sizes from 1 tonne to 65 tonne

Torque range: 1,000 Nm to 250,000 Nm

Genuine, OEM and FDC brands

UK exclusive dealer for FDC final drives

New Final Drives supplied carry a 2 year warranty

INTERESTED IN REPAIRS? BEFORE YOU BUY A NEW FINAL DRIVE, ASK US ABOUT OUR REPAIR AND RECONDITIONING SERVICE.

JUST LOOKING FOR FINAL DRIVE PARTS?

Whether you simply need a seal or bearing, or a more complex gear carrier or hydraulic piston, we stock every item you need for a final drive rebuild. We can even offer parts usually unavailable from OEMs. If your part has become obsolete, our team can build an alternative solution to the same exacting standards, using substituted, reconditioned or used parts. With full access to over two million parts, detailed drawings and parts lists, whatever your machine, your application or your requirement, we will find a solution.

Key Products - Supply

Slew Rings:

Unrivalled UK stockholdings for over 9000 machine makes and models. We deal directly, so you can be sure of a quality product.

Swing Drives:

We have swing drives for more than 150 excavator brands, covering 1000s of models from 1.5 to 40 tonnes. We'll guarantee fast delivery of new, genuine, OEM and FDC brand swing drives.

Hydraulic Pumps:

Huge stock of genuine and high-quality aftermarket hydraulic pumps. We also offer a wide range of parts for Kawasaki, Komatsu and Nachi units from stock.

Meet the Sales Team
