**CDE** |

The stage is set as CDE announces its return to Hillhead with a major product showcase on the cards for **10.30am on Tuesday 25<sup>th</sup> June, stand - A11**, beside the registration pavilion.

Join us for the global debut of our most efficient water management solution to date, which promises greater functionality, improved maintenance access and safety, speed, automation, and material versatility to offer best value per ton processed for operators.

RSVP to secure your place today by emailing:  
[CDE@JComms.co.uk](mailto:CDE@JComms.co.uk)

For more information about CDE and its wet processing solutions, visit our website where you can also request a meeting with the team: [cdegroupp.com/hillhead](https://cdegroupp.com/hillhead).
