

**RM Group Press Conference
HILLHEAD 2024
Tuesday 25 June – 2pm, RM stand J10**

Dear editors

RUBBLE MASTER invites you to the press conference at the RM Group stand J10. The founder and owner of the RM Group, Gerald Hanisch, will not only present the brand new RM J110X jaw crusher, but will also talk about the electrification of RM crushers and screens, as well as the possibilities and advantages of electrification for the industry in the UK.

Machines on the stand and in the demo area:

- RM J110X jaw crusher (in the demo area)
- RM 120X hybrid impact crusher
- RM HS7500M prescreen

Press conference topics:

- UK launch and presentation of the new RM J110X jaw crusher
- RM electrification strategy and significance for the UK market
- Outlook for further RM innovations

The RM Group is looking forward to your visit!

If you do not have the opportunity to attend the press conference, you can always drop by at stand J10 to get the latest information at first hand.
