

**DIDWW**

# **Mission-critical reliability with Emergency Calling**

Full regulatory compliance

# About

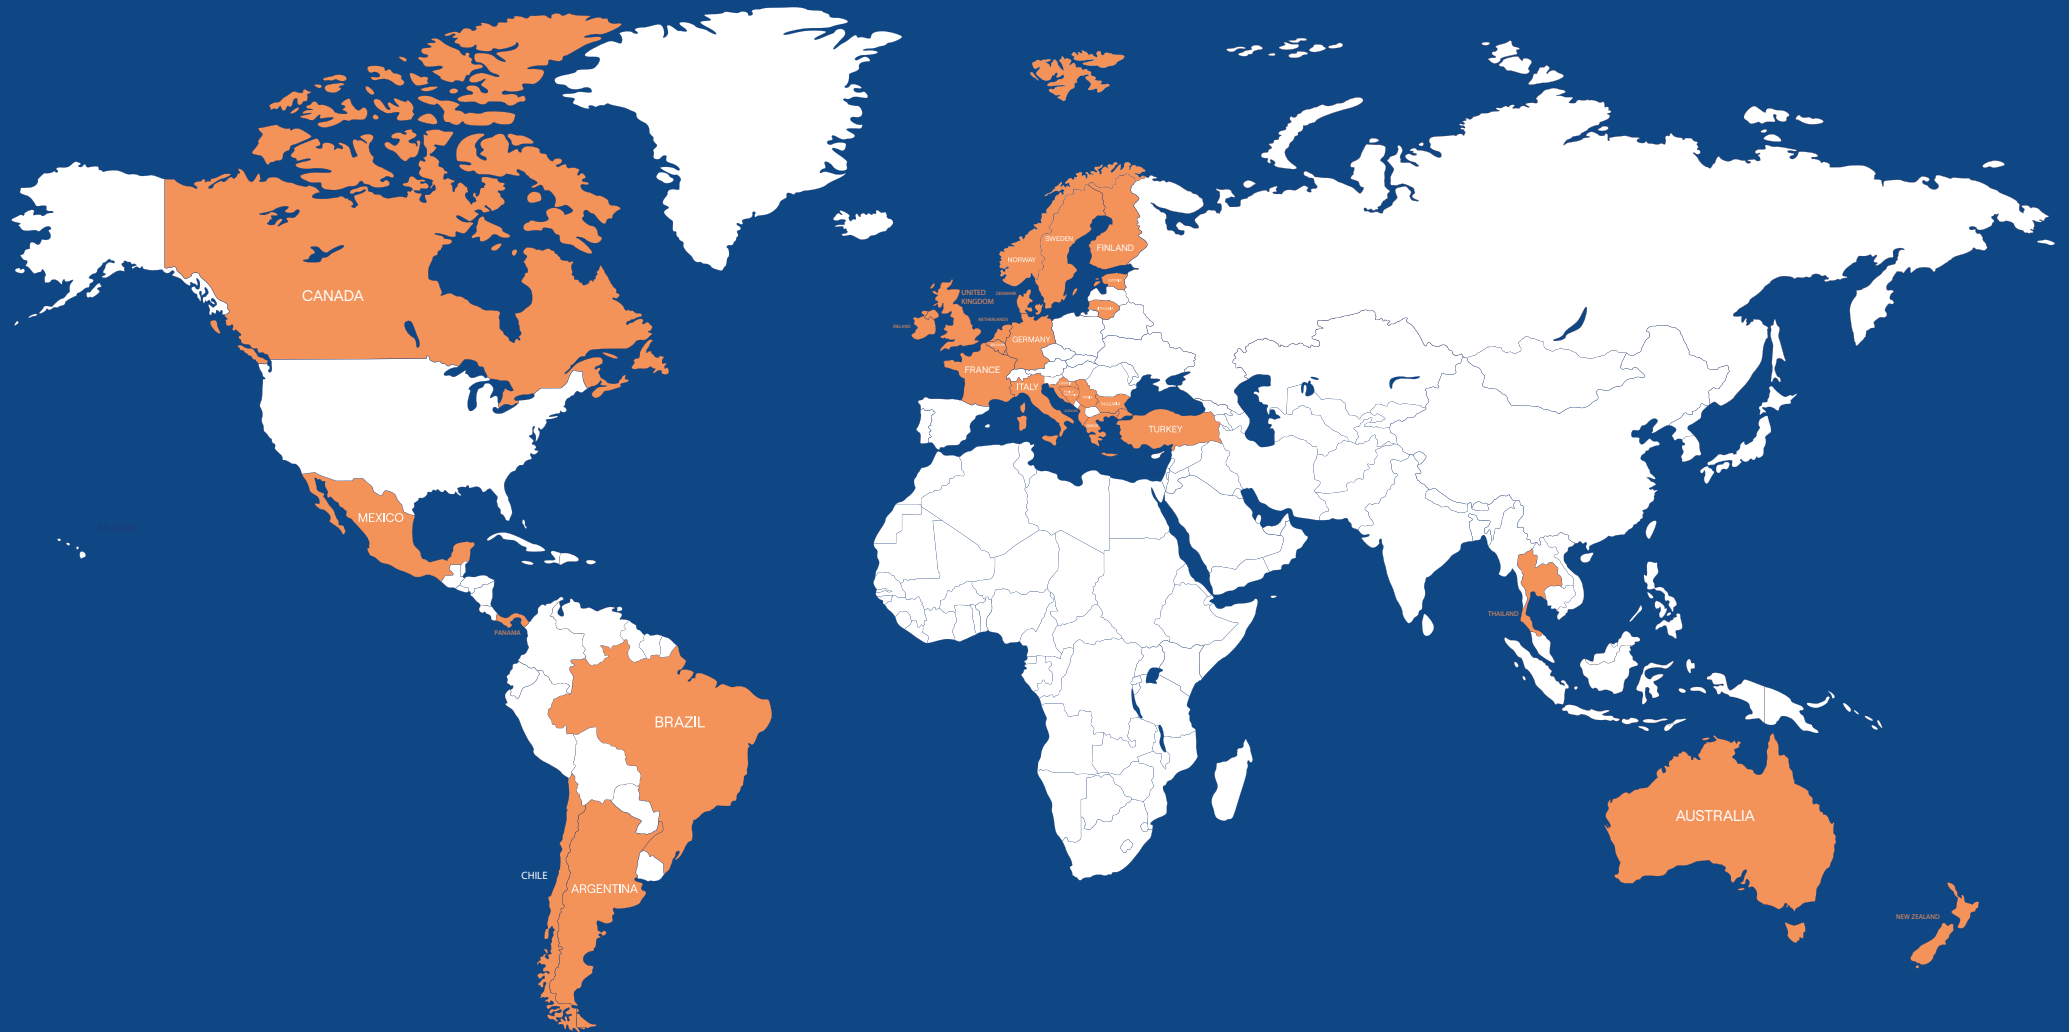

The DIDWW platform offers an array of Voice and SMS communication services for a complete PSTN replacement, including Emergency Calling.

This service ensures hassle-free and reliable connectivity to the corresponding Public Safety Answering Point (PSAP). With Emergency Calling from DIDWW, users can rely on the geo-redundant network infrastructure designed to successfully deliver every single call, especially when it matters the most.
