Welcome to the 46th Edition of Naidex

This is the UK's largest event within the disability, independent living, and healthcare sectors. We are always looking to bring visitors the latest solutions that will bring more independence to their lives and offer professionals in the industry the most up-to-date advice, solutions and technology on the market.

This year's show brings together over 60 inspirational speakers, countless interactive features and 200 world-class suppliers, you're guaranteed to find something new and informative.

Naidex has always been much more than a marketplace where visitors can shop the latest tech and solutions - it is a place where people come together, gain advice and insight, build connections, share experiences and learn about the industry's future.
