Exhibiting  
doesn't  
have to be  
complex.

Get the complete branding experience with our FullVision.

We ensure you have all the essentials to make your exhibit stand out.

### What's included within the price?

**Proofing:** Once we receive your artwork, our design team will check it and create a proof, which will be sent to you for approval.

**Printing:** Your graphics will be produced, and quality checked by our production department

**Delivery:** Your graphics will be carefully packed and delivered to the venue.

**Installation and dismantling:** We take care of both of these for you so all you have to do is relax and arrive on your stand ready to go.

Rest assured, and take it easy knowing your next event is in good hands.

**We've got everything covered.**

## Overlay graphics

OFFICIAL GRAPHICS PARTNER

Our 'Overlay graphics' are the best option for your stand if you are searching for a premium look to enhance your stand. Overlay graphics are the most popular choice by exhibitors, as it allows you to have continuous imagery and text across your panel graphics, with a small hairline join where each 1-meter panel meets.

Please note that Full Vision will remove all graphics after the event unless requested otherwise by the purchaser

£230.00 per panel

### Included within price:

Proofing  
From your artwork files.

Printing  
Graphics produced.

Delivery  
Direct to the venue.

Installation & dismantling

# Inlay graphics

OFFICIAL GRAPHICS PARTNER

Inlay graphics are a great cost-effective option if you are looking for a professional feel to your stand but may not have the budget to brand the whole stand. With Inlay graphics you can choose to brand specific individual panels, that are positioned in strategic places for the most effective branding or brand the entirety of your stand.

Please note that Full Vision will remove all graphics after the event unless requested otherwise by the purchaser

£220.00 per panel

Graphics produced.

**Delivery**  
Direct to the venue.

**Installation & dismantling**

# Reusable Inlay graphics >

OFFICIAL GRAPHICS PARTNER

Our Reusable 'rollable' Inlay graphics are a great sustainable option, as they can be reused.

The graphics sit within the frame and are attached by magnetic strips at the top and bottom of the 1m panel. At the end of the show you will be able to take the graphics down, roll them up and transport them back with you.

Please note that Full Vision will remove all graphics after the event unless requested otherwise by the purchaser
