

CAPITAL VARIATION

BUILDING GENUINE RELATIONSHIPS

WHY WE EXIST

Our passion and pride on what we do is based on the necessity of understanding heart and mind of leaders who solve problems around the world through social impact and innovative projects, targeting mainly ESG goals.

We Introduce UHNWI, Family Offices, Institutional Investors, Funds of Funds and Investment Houses to high growth c-level leaders armed up with strong track record in their Industry, thriving for a safe and trustworthy environment for business executions.

Evaluating new and established investment opportunities with defined principles and high growth income streams, we enforce discretion and diplomacy in our service and within our network, merging mutual synergies and cooperation globally connecting and aligning visions, goals and legacy.

Our final output is to understand asset managers WHY and passion for what they do, facilitating visibility to global investors who share similar strategies and passions, we walk together with each party hand in hand adding constant value through genuine and ethical relationships.

BUSINESS OPPORTUNITIES

- We acknowledge the process of fund raising and equity allocation could be laborious, costly, exhausting and time consuming, generally delaying targets and deadlines. By creating a bridge that facilitate funding for the right solution providers we ensure synergy and alignment with our investor's mandates, either short or long term.
- Working hand in hand with our investors to understand their strategies, requirements & niche investment needs, our mission to is to help protect and create new wealth through filtered and qualified introductions whilst respecting investors legacy, principles and privacy.
 - ❖ We want to help you make a difference in today's world.

OUR SERVICES

- **FOR INVESTORS:**

Harnessing the power of our network of families and institutions we handpick projects that generally our clients co-invest already, once we match your criteria of investment, we prepare solutions that could be added to your portfolio applying your criteria of investment and qualifying each service provider before any introduction is made.
