

■ WATER LEISURE EXHIBITION

SPATEX 2022 is designed for YOU

As the UK's only dedicated water leisure expo, SPATEX 2022 presents a dazzling array of the latest designs and labour and money-saving innovations. TSJ introduces an event set to be staged in the impressive Coventry Building Society Arena.

An integral part of swimming pools, spas, showers, and other wet leisure facilities is, of course, their inner tiling and outer surround. SPATEX 2022 will present a dazzling showcase of all the latest designs and labour-saving innovations, from companies such as Aqua Stone Pool Finishes, Ardex UK, Cranbourne Stone Ltd, Designworks Tiles, and Stoneworld Ltd.

Help to develop your ideas

Keep abreast of the new trends and shades and make sure that your projects reflect the best in

the marketplace. Tiles can take on a whole different look when water is added. SPATEX displays the latest and best in the marketplace.

Stay abreast of the latest innovations

This is the place to pick up the latest labour-saving products to make your job quicker and easier.

Energy-saving inspiration

With over a hundred international and domestic exhibitors, there will be lots of new products supporting a low energy, low carbon footprint.

Key features

- View 2022's tile and stone trends for swimming pools, saunas, and spas
- Attend a free double seminar programme to discover the latest innovative methods of application for wet leisure projects
- Seek impartial advice for your projects from experts.
- As the UK's only dedicated, international water leisure exhibition, SPATEX 2022, offers you the opportunity to meet over a thousand people from the industry in one day.
- Free to attend, it provides tilers, builders, developers, architects, specifiers, with all you need to know.

Learn valuable new skills

SPATEX hosts three full days of free seminars and workshops which offer vital information, such as new standards and guidance that affect all working in wet leisure facilities.

In Arena 1, the esteemed Institute of Swimming Pool Engineers (ISPE) is hosting a series of technical workshops and CPD points and a certificate of attendance are available for all attendees.

Working with water requires skills all of its own and there are talks specifically on how your life can be easier. For instance:

Tuesday 1st February at 12.30pm

Tiling in Swimming Pools and Wet Areas

Choose the correct tiles and installation methods for use in swimming pools and wet leisure areas to give you a long lasting and successful installation.

Tap into a unique pool of free expertise for your projects. SPATEX is fortunate to count the Industry's many esteemed associations amongst its supporting partners.

There's no better place to seek advice from an expert, and all for free! Please call in at the SPATEX Help Desk at the entrance to the hall and the team will be happy to point you in the right direction.
