**Explore the latest design trends, materials and technologies specific to tiling and paving in a wet leisure environment at free to attend SPATEX 2025, at the Coventry Building Society Arena, Tuesday 4<sup>th</sup> to Thursday 6<sup>th</sup> February.**

SPATEX is the place for tilers, builders, pavers, developers, architects, specifiers to meet over a thousand people from the water leisure industry in one day. Whether tiling a shower, a steam room, a domestic spa, paving a swimming pool or a large commercial wellness facility, this is a show you can't afford to miss. SPATEX caters for all sectors, commercial and domestic. The annual exhibition, now entering its 29<sup>th</sup> year, is bursting with the very latest innovations in swimming pools, steam rooms, saunas, spas, showers, and all their ancillary equipment, including the all-important tiles, coping stones, paving, and decking.

### **See who, and what, are trending**

In amongst SPATEX's one hundred plus exhibitors, companies such as Cranbourne Stone, Stoneworld (Oxfordshire) Ltd, The Mosaic Co, Waxman, Designworks Tiles, and Certikin will all be showcasing their latest tile designs for 2025. Companies like Ardex will showcase a wide range of specialised materials and products used in water leisure projects, from new waterproofing solutions to sustainable building materials.

### **Special visitor discounts**

See, touch and discuss the latest products and take advantage of exclusive show offers. This is the place to pick up the latest labour and money-saving saving products to make your job quicker and easier.

### **Get up to speed on regulatory requirements**

With a free double seminar programme in two arenas offering over 40 talks by industry leaders, SPATEX answers the challenge of staying up to date on safety standards and compliance.

### **Invest in yourself**

Catch over 20 CPD-accredited interactive workshops in Arena 1 curated by the Institute of Swimming Pool Engineers (ISPE). Just one of many industry associations that SPATEX is fortunate to have the support of.

### **Network with industry experts**

Connect with manufacturers, suppliers, and other industry professionals who specialise in water leisure projects - there is no greater concentration of skill in the UK.

### **Learn about sustainable and eco-friendly solutions**

Promoting sustainability is a key priority for SPATEX. Discover eco-friendly technologies and practices, such as sustainable construction materials, which can be integrated into green building designs.

### **Gain inspiration**

Seeing firsthand the latest water leisure innovations, trends, colours and designs will inspire you to incorporate unique features into your projects.
