

OASE

automatic canvas covers

“WHEN *Safety* is a **PRIORITY!**”

OASE SYSTEMS

WHY OASE?

ECONOMICAL

- Heating costs
- Water consumption
- Chemical products and maintenance
- Filtration
- Dehumidification and air conditioning (indoor pools)

Your investment will be recovered within the shortest time!

MORE COMFORTABLE

- Automatic operation
- Pleasant water temperature
- Extends the swimming pool season
- Winter protection
- Less maintenance
- Eliminates chemical odours

In a nutshell: A real luxury!

MORE SAFETY

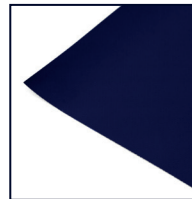

- Protect your pool, children and pets
- Install an automatic-removal pump!
- NF P 90 308
- Operable only by authorised key (key lock)
- Hydraulic motor

Appropriate supervision is always advised!
