MODULUX

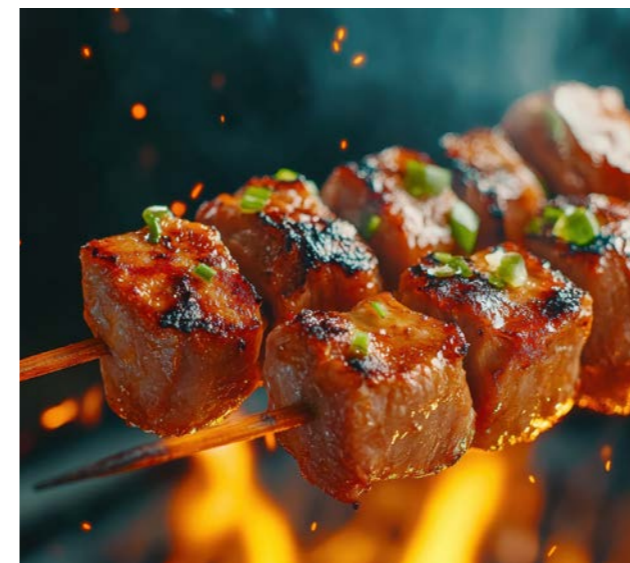

Create your dream outdoor kitchen

Transform your outdoor space

At Sizzler Outdoor Kitchens, we know that gardens are becoming more of an extension of your home, offering the perfect space to relax and entertain. That's why we love the Modulux range. It's the perfect way to add a fully functional outdoor kitchen to your garden retreat.

Thanks to its versatile modular design, it can be customised into a variety of layouts. Each unit is crafted with precision, featuring premium appliances and quality materials throughout. Modulux cabinets are built to withstand the elements while maintaining their sophisticated looks year after year.

Modular Design

Pre-assembled Units

Quality Appliances

Weather Resistant

2-year Guarantee

Why choose Modulux?

Creating your dream outdoor kitchen should be easy and with Modulux it is. With its modular design you can configure it to fit any space. Modulux units offer the flexibility to add, remove, and rearrange sections according to your specific requirements.

Modulux appliances use high quality stainless steel while the pre-assembled cabinets are constructed from durable aluminium composite panels with marble style worktops. Modulux cabinets are easy to clean and maintain, designed to endure outdoor weather conditions while maintaining their sleek, stylish looks.

MODULUX

Choose your Modulux...

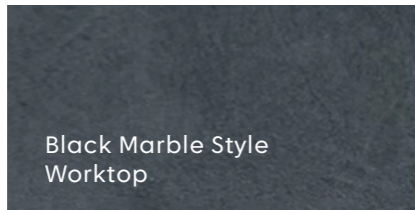

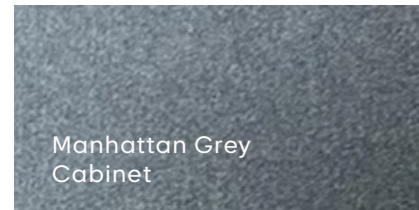

Choose from two classic designs. The timeless elegance of Boston Grey cabinets paired with crisp White Marble style worktops, or the bold sophistication of Manhattan Grey cabinets with sleek Black Marble style worktops.

Boston Grey Cabinets with White Marble style Worktops

Modulux worktops are made from Rock Plate, a man-made material which is both durable and heat-resistant.

Manhattan Grey Cabinets with Black Marble style Worktops

Relax...

With a Modulux Outdoor Kitchen you can prepare the perfect gourmet meal for your family and friends however large the party.

Keep ingredients fresh and drinks chilled in the spacious glass-fronted fridge.

And when the cooking's done, the large sink makes clean-up a breeze.

The Modulux range has everything you need to turn outdoor cooking into a stress-free experience.

Four Burner Sizzler Grill with Cabinet

Sizzler Grill includes:

- Four Stainless Steel Burners
- Motorised Rotisserie
- Searing Back Burner
- Griddle Plate
- Grill Hood with Thermostat
- Lighting
- Grill Head Cover

Elevate your outdoor cooking experience with the Four Burner Sizzler Grill, designed for those who demand quality and performance. Featuring four high-powered burners, this grill offers precise heat control for everything from searing steaks to slow-cooking roasts.

The Sizzler grill includes motorised rotisserie with searing back burner and a stainless-steel griddle plate (replaces 2 burners).

The integrated cabinet provides ample storage for a gas bottle and cooking accessories, ensuring everything you need is within arm's reach.

Stylish Storage Solutions...

The Modulux range offers smart and stylish storage options to keep your outdoor kitchen organised and looking sleek. The three or two drawer Modulux cabinet is perfect for storing everything from utensils to grilling tools, making meal prep a breeze. The corner cabinet fits seamlessly into your layout, turning those hard-to-reach spots into functional storage. For a simple solution, the single cabinet is an ideal choice.

All specifications and designs are subject to change without prior notice due to continuous product development.

Family and friends...

Bar Table & Stools

The Modulux bar table is the perfect spot for two to sip, savour, and relax in style! Crafted with the same premium worktop finishes as the Modulux range, this sleek and compact bar table also provides additional worktop space.

Modulux bar stools elevate any outdoor space with their sophisticated design. Made with a sturdy aluminium frame and woven UPVC seating in a contemporary Grey finish.
